The Three Marriages Reimagining Work Self And Relationship

Chip Conley

The Three Marriages Reimagining Work Self And Relationship:

The Three Marriages David Whyte, 2009 David Whyte knows there are three crucial relationships or marriages in our lives the marriage or partnership with a significant other the commitment we have to our work and the vows spoken or unspoken we make to an inner constantly developing self In *The Three Marriages* the bestselling author poet and speaker argues that it is not possible to sacrifice one relationship for the others without causing deep psychological damage Too often he says we fracture our lives and split our energies foolishly so that one or more of these marriages is sacrificed and may wither and die in the process impoverishing them all Whyte looks to a different way of seeing and connecting these relationships and prompts us to examine each marriage with a fierce but affectionate eye as he shows us the importance of cherishing all three equally From publisher description

The Three Marriages David Whyte, 2009-01-22 A radical crystalline Elle approach to integrating our work relationships and inner selves from the bestselling author poet and speaker The author of *Crossing the Unknown Sea* and *The Heart Aroused* encourages readers to reimagine how they inhabit the worlds of love work and self understanding Whyte suggests that separating these marriages in order to balance them is to destroy the fabric of happiness itself Drawing from his own struggles and the lives of some of the world's great writers and artists from Dante to Jane Austen to Robert Louis Stevenson Whyte explores the ways these core commitments are connected Only by understanding the journey involved in each of the three marriages and the stages of their maturation he says can we understand how to bring them together in one fulfilled life

If I Love You, Why Is It So Hard to Live With You? Susan Gleeson, 2013-08-10

EMPATHY IS THE KEY NO MATTER WHERE WE ARE IN THE LIFE OF AN INTIMATE RELATIONSHIP EMPATHY IS THE QUALITY WE NEED After all is said and done to thrive in an intimate relationship the quality most required is that of

empathy extended from each partner to the other We can attain this state after both partners have learned to know and accept themselves and after they know and fully accept the other In addition to empathy we need to become curious and diligent students of our relationship the We that we create which is an entity unto itself and is as real as each of us as individuals In If I Love You Why Is It So Hard to Live With You Dr Gleeson discusses how we can tackle the process of learning how to know and accept ourselves how we can make a healthy choice of intimate partner and how we can come to understand our relationship *Re-humanizing Medicine* David R. Kopacz,2014-11-28 What starts as personal dissatisfaction in the workplace can become personal transformation that changes clinical practice and ultimately changes the culture of medicine Physicians and professionals train extensively to relieve suffering Yet the systems they train and practice in create suffering for both themselves and their clients through the neglect of basic human needs True healthcare reform requires addressing dehumanization in medicine by caring for the whole person of the professional and the patient Re humanizing Medicine provides a holistic framework to support human connection and the expression of full human being of doctors professionals and patients A clinician needs to be a whole person to treat a whole person thus the work of transformation begins with clinicians As professionals work to transform themselves this will in turn transform their clinical practices and healthcare institutions A Companion to Doing Ethics Alan A.
