would be turbulent the culture wars the Nixon reelection campaign the strange unfolding saga of Watergate and the war in Vietnam Generational and cultural divides abounded on the team as well There were long haired bell bottomed party animals such as Jim Mad Dog Mandich as well as the stylish Marv Fleming and Curtis Johnson with his supernova afro playing alongside conservative straitlaced men like the quarterbacks Bob Griese and the crew cut savior 38 year old backup Earl Morrall Larry Csonka and Jim Kiick nicknamed Butch and Sundance had to make way for a third running back the outspoken and flamboyant Mercury Morris But unlike the fractious society around them this racially and culturally diverse group found a way to meld seamlessly into a team The perfect team Marshall Jon Fisher s Seventeen and Oh is a compelling fast paced account of a season unlike any other diving deep into every game and key events before and after with thorough portraits of key players coaches executives and more
