The Timothy Diary First Century Diaries:

The Timothy Diary Gene Edwards, 2000 This title is no longer available from Tyndale but it can be ordered from SeedSowers 4003 N Liberty Street Jacksonville FL 32206 The Timothy Diary is the story of Paul's third journey as told from Timothy's unique first century perspective As the apostle Paul strives to establish churches throughout the Gentile world his troubles with the Jewish world increase In this book he resolves to train a select group of young men an idea modeled after Christ and his disciples to continue his work after him Paul's vision for the church will come alive particularly with the writing of the epistle to the Corinthian church

The Priscilla Diary Gene Edwards, 2007-04-01 Hear the stories of Paul's continued travels to the first century churches narrated from the unique perspective of Priscilla a vibrant first century Christian woman Paul faces the darkest days of his entire life while he frantically searches for the missing Titus Are Paul's fears warranted Has Titus been assassinated in Corinth Read of the writing of Paul's most personally revealing letter to the church at Corinth And marvel at the truths Paul conveys to the church in Rome a letter of all that Paul considered central to the Christian life In Jerusalem Paul faces his old enemies and stands trial before the Roman and Jewish officials Paul spends years in jail before the Roman governor issues a ruling that sends Paul to Rome in chains Paul's final and most harrowing journey by ship awaits him The Priscilla Diary is the fourth of a five book series entitled The First Century Diaries Silas Titus Timothy Priscilla Gaius

Paul and First-Century Letter Writing E. Randolph Richards, 2025-07-29 Traditional Christian art depicts Paul the letter writer pen in hand attentive to the Spirit We might think we know better and imagine him pacing in agitation as he rapidly dictates to a secretary his letter to the Galatians But in reality neither of these pictures is accurate In Paul's day producing a letter was a time consuming and costly business And we have ample resources from the ancient world to piece together what it must have been like A secretary was usually part of the picture But so were notes drafts corrections and careful rewrites not to speak of scratchy pens sooty ink and coarse papyrus Interestingly there is evidence that Paul involved his missionary team in the writing of letters And then came the delivery over land and sea the reading and circulation as well as the epistolary afterlife of copying collecting and storing E Randolph Richards has extensively studied ancient letter writing and secretaries Informed by the historical evidence and with a sharp eye for telltale clues in Paul's letters he takes us into this world and places us on the scene with Paul the letter writer What first appears to be just a study of secretaries and stationery turns out to be an intriguing glimpse of Paul the letter writer that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be
