National Sovereignty in the European Union Ondrej Hamulák, 2016-09-08 This volume assesses the implications of membership in the European Union for countries understanding of the concept of sovereignty based on the perspective of the Czech Republic The starting point of this work is acceptance of the Czech Republic's membership in the European Union as a basic fact The goal of the analysis presented here is to offer a theoretical approach to reconciling state sovereignty with the participation of the Czech Republic in the European integration project To do so the book pursues an in depth analysis of the reactions of the Constitutional Court of the Czech Republic to the challenges associated with membership in the EU Above all it addresses the following two basic research questions 1 Is membership of the state in the European Union associated with a loss of sovereignty a sharing of sovereignty or does it have no real consequences for the scope or understanding of the concept of state sovereignty such that the phenomenon remains a classical static and defining element of the state 2 How does the Czech Constitutional Court deal with the specific characteristics of European Union law and what is its stance on the nature of the relationship between supranational and national law

Language for Legislation and Legislation

through Language Tímea Drinóczi, Giulia A. Pennisi, Helen Xanthaki, 2025-09-30 This collection teaches us how language and legislation interact to produce effective laws It brings linguistics lawyers theory and practices together to show how linguistic tools concepts and methodologies can be applied to improve the law s clarity transparency and efficiency thus widening its social reach Drawing on case studies across Europe chapters critically reflect on the dynamics of legislative drafting and the dissemination of legislation and the ways in which drafted legislation both creates laws and serves to communicate their meaning This volume features perspectives from national and transnational examples to demonstrate the impact of varied stakeholders legislative bodies law interpreters and law enforcers on the implementation of legislation particularly when legislative texts are translated and interpreted across different settings Through the lens of discourse analysis legislative texts are analyzed in lexico grammatical and textual terms highlighting the disparity between what is conceived and what might be expressed clearly in words and how this knowledge can inform better drafting practices This collection charts a way forward for linguistics as a discipline to contribute to a better understanding of the nuances around effective legislative expression This book will appeal to scholars and stakeholders working at the intersection of language and the law in such fields as applied linguistics forensic linguistics regulation legislation and legislative drafting

ECSM2016-Proceedings of the 3rd European Conference on Social Media Christine Bernadas, Delphine Minchella, 2016-06-21 *Ambiguity in EU Law* Sofiya Kartalova, 2022-10-07 Ambiguity an expression or utterance giving rise to at least two mutually exclusive interpretations has been traditionally regarded as an ever present and therefore trivial feature of EU law alongside other forms of linguistic indeterminacy At the same time ambiguity has been condemned as a perilous defect in the legal text since it is commonly assumed that the Court of Justice of the EU CJEU would necessarily exploit it to engage in judicial activism In contrast more recent theories present ambiguity as a means of promoting greater acceptability and coherence while trusting the CJEU s willingness to exert judicial restraint for the benefit of judicial co operation This ground breaking work challenges some of the theoretical assumptions about ambiguity in EU law and puts forward a more accurate and complete theory about the CJEU s strategic use of ambiguity Ambiguity is here transformed from an underestimated or misunderstood detail of undetermined significance to a desirable systemic feature of the EU legal order with concrete properties and impact Ambiguity as the implicit basis of the CJEU s decision making is shown to be strategically valuable for the implementation of the authority of EU law at some of the most pivotal moments in the evolution of the EU legal order This interdisciplinary investigation presents in depth linguistic and legal analysis of ambiguity found in the text of key provisions of EU Treaties and in the language of some of the CJEU s leading preliminary rulings in the area of fundamental rights freedom of movement and EU citizenship The book suggests a categorisation of examples basic guidance about the type of case and situation where the phenomenon is likely to emerge as well as an assessment of the advantages and disadvantages of this unusual judicial technique The book will be a valuable resource for researchers and academics

working in the areas of Law and Language Public International Law EU Law and Multilingualism **European Yearbook of Constitutional Law 2022** Jurgen de Poorter, Gerhard van der Schyff, Maarten Stremmer, Maartje De Visser, Ingrid Leijten, Charlotte van Oirsouw, 2023-07-25 The European Yearbook of Constitutional Law EYCL is an annual publication devoted to the study of constitutional law It aims to provide a forum for in depth analysis and discussion of new developments in the field both in Europe and beyond This fourth volume of the EYCL addresses the underexplored and contentious topic of whether the EU possesses a constitutional identity of its own To date the main focus of scholarship and case law concerns the constitutional identities of the Member States of the EU This is because the EU has to respect such identities according to article 4 2 TEU The attention for Member States constitutional identities stands in stark contrast to the notion of an EU constitutional identity Such an identity features very little in the literature and debate on constitutional identity and the legal architecture of the EU Consequently this edition of the EYCL addresses the gap in legal research by studying constitutional identity with a focus on the EU itself The book explores various views on whether the EU possesses such an identity and what any possible identity might entail In this way a fuller and more inclusive picture can be formed of constitutional identity as it relates to the multilevel constitutional order inhabited by the EU and its Member States This volume will be of special interest to constitutional and legal scholars who are interested in EU and national constitutional law as well as to political scientists In addition the book is relevant for judges government officials judges and policy makers who work with EU constitutional law and its relationship with national constitutional law Jurgen de Poorter is State Councillor at the Dutch Council of State and professor at Tilburg Law School Department of Public Law and Governance Gerhard van der Schyff is associate professor at Tilburg Law School Department of Public Law and Governance Maarten Stremmer is assistant professor at Maastricht University Faculty of Law Department of Public Law Maartje De Visser is associate professor at SMU School of Law Singapore Ingrid Leijten is professor at Tilburg Law School Department of Public Law and Governance Charlotte van Oirsouw is PhD researcher at Utrecht University Department of Constitutional and Administrative Law **The EU Treaties and Charter of Fundamental Rights: A Commentary**, 2024-07-23 The second edition of The EU Treaties and the Charter of Fundamental Rights A Commentary provides an article by article summary of the TEU the TFEU and the Charter of Fundamental Rights to reflect the latest developments in the law since publication of the first edition in 2019 It offers a quick reference to the provisions of the treaties how they are interpreted and applied in practice and to the most important legal instruments enacted on their basis The fully updated Commentary considers key developments in all areas of EU law including the debates and requirements around the Rule of Law legal decisions in relation to the Covid 19 pandemic climate change measures such as the European Green Deal as well as recent changes to the Common Agricultural Policy It also includes significant court rulings on freedom security and justice migration and asylum as well as issues relating to freedom of movement and Brexit The new edition outlines the Digital Markets Act a major piece of legislation adopted in 2022 and

contains significant updates on EU competition law in the light of new Regulations and Guidelines Written by a team of contributors drawn from the Legal Service of the European Commission and from academia the Commentary offers expert guidance to practitioners and academics seeking fast access to the Treaties secondary law and current practice The Commentary follows a set structure offering a short overview of the Article the Article text itself a key references list including essential case law and legislation followed by a structured commentary on the Article The editors and contributors combine experience in practice with a strong academic background and have published widely on a variety of EU law subjects

Comparative Approaches to Law and Religion Renae Barker, Camilla Baasch Andersen, Mohammad Rasmi Alumar, 2025-06-03 *Comparative Approaches to Law and Religion* examines the methodological challenges of studying the interplay between law and religion across diverse jurisdictions This volume fills a critical gap in the literature by focusing on how to conduct comparative research offering both theoretical foundations and practical applications Scholars from varied legal and cultural backgrounds contributed chapters that showcase innovative methodologies tailored to specific issues in law and religion The book is divided into three parts Part I explores the foundational theories methods and frameworks of comparative research in law and religion addressing state religion models legal pluralism and the inclusion of minors in research Part II applies these approaches through comparative case studies tackling topics such as medical treatment for minors religious freedom in the EU and judicial populism in religion related cases Part III provides a critical evaluation of the methodologies employed encouraging reflection and dialogue on their strengths limitations and broader applicability This volume is an essential resource for scholars of law and religion and comparative law By offering a blend of theoretical insights and practical examples it equips researchers with the tools to navigate the complexities of interdisciplinary and comparative legal studies across varied jurisdictions and traditions

International Law and the European Union Jed Odermatt, 2021-10-21 The European Union plays a significant role in international affairs *International Law and the European Union* examines the impact this has had on public international law by integrating perspectives from both EU law and international law Its analysis focuses on fields of public international law where the EU has had an influence including customary international law the law of treaties international organizations international dispute settlement and international responsibility *International Law and the European Union* shows how the EU has had a subtle but significant impact on the development of international law and how the international legal order has developed and adjusted to accommodate the EU as a distinct legal actor In doing so it contributes to our understanding of how international law addresses legal subjects other than States

The Cambridge Handbook of Competition Law Sanctions Tihamer Tóth, 2022-06-23 This handbook brings together an international roster of competition law scholars and practitioners to address the issue of sanctions in competition law from all angles Covering nineteen jurisdictions around the world the book analyzes the theoretical foundations and practice of sanctioning competition law infringements and most importantly cartels Contributors include a

range of experts drawing on criminal law company law labor law human rights and law and economics to determine what sanctions are available as a matter of positive law against corporations and individuals including fines and other criminal administrative and civil law sanctions whether law enforcers are using these sanctions effectively and if new sanctions including individual sanctions should be introduced
