There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her dreams. You carry yourself like a man, like an Alpha Male, confident, assured, and with purpose. There's no stutter step or miscue. She's simply astonished at how you came into her presence and maneuvered your way expertly into her full attention. You speak eloquently and you're respectful through and through. You're dressed well, full of interesting things to say. She's never met a man like you, a man who listens with intent and responds smartly. Moreover, you're respectful, know your boundaries, and you know how to keep her attention. You're irresistible. You know all this because you know the Law of Attraction and Love Hypnosis. That's how you were able to sweep her off her feet, then and now that you've been dating, she still can't get enough of you. All this because you read this essential playbook on dating, and you are fully aware how to keep your relationship and take it to the next level, marriage, if you want. Your relationship is full of confidence and awareness of her. She couldn't have been luckier that night when you walked across the room and into her life. You've done all this because you know how an Alpha Male builds a relationship. You know all this because you know her interests, and nobody makes her feel more like a queen than her king, you. But you didn't do this by being an alpha bully; you did all this by being aware and knowing how to compromise without ever compromising yourself. Because you read this playbook, you know how to take your dating game to the home game that is never dull or without passion. You're her King, and you make her feel like a Queen. You're not jealous but confident, always. You're passionate but you don't overwhelm her. You know exactly how to touch her, reach her hot spots, and after years of being together, making love to you is always fresh, fun, and new.
