The Truth About Spirit Communication:

The Interpreting Spirit Hannah R. K. Mather, 2020-10-08 The Interpreting Spirit is both a consideration of the Spirit's role in the interpretation of Scripture and a celebration of renewal scholarship. It examines those who have focused on the Spirit's role in their hermeneutical considerations, recognizing common uniting themes amidst the diversity of scholarly approach and opinion. Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other Mather works diachronically from 1970, identifying and drawing together these common uniting hallmarks into a collective understanding. Pivotal to Mather's argument is her emphasis that we do not just interpret Scripture but that the Spirit through Scripture and working in our lives in ways that lead us towards Scripture interprets us. The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place particularly among renewal scholars since 1970. It seeks to answer the notoriously difficult question: What does the Spirit do in the process of biblical interpretation?
