The Tycoons Convenient Baby:

The Tycoon's Convenient Bride... and Baby Shoshanna Evers, 2014-07-28 Mack Hansen isn't the marrying kind. Hell, he'll do whatever it takes to keep his heart safe from heartbreak. Instead, he channels all of his passion into his work. But when his business partner and his wife go missing and leave their baby girl orphaned, Mack will do anything to keep the child safe. Which includes marrying the one woman who was always off-limits: his partner's sister, Lauren Peters. Lauren never imagined she'd be able to have a family of her own. Instead, tragedy hands Lauren the two things she's always wanted: a baby and Mack Hansen. Yet as she gives herself wholly to the pleasure of her new husband's touch and their undeniable sexual chemistry, Lauren knows the painful truth: Mack sees their relationship as a business transaction. That is, until their marriage of convenience is threatened by the one thing that could save it: love.

The Tycoon's Convenient Baby Cherry Kay, 2015-07-07 In A World Where Babies Mean Business Billionaire Media Tycoon David is in BIG trouble. A dark rumor is threatening to destroy his public image and potentially ruin the empire he built from scratch, and he will do anything to change that. His advisers tell him that the only way to repair things is to become a family man and ditch the bachelor lifestyle. Having never had time to find love, this is going to prove tricky. As a way of fixing this situation, David is introduced to a beautiful business woman named Elise. This would be a standard marriage of convenience for 3 years, with Elise getting a huge pay-off at the end. However, there is one caveat: They need to have a baby also. Neither David nor Elise are looking for love, but could the bond of a convenient baby be something that potentially changes everything?

The Tycoon's Convenient Bride Leslie North, USA Today Bestseller Leslie North invites you to indulge in a steamy billionaire romance with an unforgettable bad boy billionaire and the smart talking woman who tames him. To billionaire Anthony Charles Harrington V, everything is about business. Including marriage. All he needs is a society wife who will give him an heir, and he's completely prepared to marry a woman he doesn't love or desire to secure his fifth generation company's future. Until he meets Diana Tinsley. She's quirky and the kind of free spirit he's looking to spend time with before he settles down. Using all his considerable charm, he convinces Diana to have a one-week fling, just a lark with no strings attached. But when Diana shows up at his door two months later, he realizes their no-strings affair will have long-term consequences. Diana is pregnant. Nothing could be more perfect. He'll get his heir, get his wife, and focus on his business. He just needs to get Diana to agree to a marriage of convenience. Diana is reluctant about the marriage idea at first. She can't imagine giving up her job as a nurse to become a society wife, but eventually, her practical side wins out. Her child will have a secure future, and she'll be able to continue her life as usual. She doesn't count on her attraction to Tony, which was already fierce, growing even hotter. Worse, she thinks she might be falling in love, which was totally against their agreement. This marriage of convenience isn't turning out to be as convenient as she'd thought it would. Just when she believes the two of them might have a real marriage, Tony brutally reminds her that love is not an option. But running away doesn't seem a workable solution to her problems, or is it? *The*
