The Ultimate Woman's Guide To Male Chastity:

Library of the World's Best Literature, Ancient and Modern--Index-guide to Library of the World's Best Literature ... Charles Dudley Warner, Hamilton Wright Mabie, Lucia Isabella Gilbert Runkle, George Henry Warner, 1896

The Ultimate Woman's Guide to Male Chastity Mistress Dede, 2015-11-23 If you are reading this book you are most probably a woman interested in broaching the matter of male chastity You see this book is all about male chastity in other words self control The question is how exactly can this male chastity thing help you and your partner's sex life You are probably confused and you don't have to worry for you are not alone in this This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now but could possibly save your sex life You will learn what the male chastity subject is all about the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship At first the idea of locking your partner's male organ in a device seem strange to you But overtime you will find that your partner sees this thing in an altogether new perspective something that is attractive and quite exciting for him To some forceful prevention of erection and orgasm may definitely seem odd but there are men who find it very arousing Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact This is because most of those writings are written by men as an outlet to let out their kinky fantasies It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes You are likely to get turned off by these thinking that the whole male chastity thing is not for you However in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner

Women and Men in Love Anthony Edward Waine,2007 It has often been assumed that Europeans invented and had the exclusive monopoly over courtly and romantic love commonly considered to be the highest form of relations between men and women This view was particularly prevalent between 1770 and the mid twentieth century but was challenged in the 1960s when romantic love came to be seen as a universal sentiment that can be found in all cultures in the world However there remains the historical problem that the Europeans used this concept of love as a fundamental part of their self image over a long period traces of it still remain and it became very much caught up in the concept of marriage This book challenges the underlying Eurocentrism of this notion while exploring in a more general sense the connection between identity and emotions
