The Undeniable God A Simple Defense For Christianity:

The Undeniable God Charley Worthey, 2015-12-30 If truth can be known shouldn't it be embraced If the existence of God can be proven shouldn't that truth be fought for The claims of Christianity can be understood very easily through the means of basic ideas science prophecy and the impact of the resurrection of Jesus Christ It is as simple as 1 1 2 And yet we live in a world that is being overpowered by an anti God agenda It has gone from mere disagreement to fully blown discrimination against Christians Sadly we have done a poor job defending the truth It is our duty to understand the truth embrace it and defend it It's time we take a stand for what is right and begin leading our nation back to God The truth must be fought for Without it we lose everything
