The United States Army in China, 1900-1938 Alfred Emile Cornebise,2015-07-04 A study of U S Chinese relations involving the U S Army this work focuses at the personnel level on the Army s service in China While studies have been published of the U S Marines and U S Navy s involvement in China little attention has been given the Army s missions in this theater Operations in China were a key part of the history and traditions of the 9th 14th 15th and 31st Regiments whose coats of arms still feature dragons as symbols of their service there Many who served in the 15th in China went on to impressive careers as general officers prompting one soldier to ask what other infantry regiment of those days can boast of such an alumni list Also covered is the 31st Regiments involvement in Shanghai during the Second Sino Japanese War the prelude of the coming of World War II in Asia The Small Wars of the United States, 1899-2009 Benjamin R. Beede,2012-08-06 The Small Wars of the United States 1899 2009 is the complete bibliography of works on US military

intervention and irregular warfare around the world as well as efforts to quell insurgencies on behalf of American allies The text covers conflicts from 1898 to present with detailed annotations of selected sources In this second edition Benjamin R Beede revises his seminal work bringing it completely up to date including entries on the current conflicts in Iraq and Afghanistan An invaluable research tool The Small Wars of the United States 1899 2009 is a critical resource for students and scholars studying US military history St. Louis and Empire Henry W Berger, 2015-04-23 From its eighteenth century French fur trade origins to post Cold War business dealings with Latin America and Asia the city has never neglected nor been ignored by the world outside its borders In this pioneering study Henry W Berger analyzes St Louis s imperial engagement from its founding in 1764 to the present day revealing the intersection of local political cultural and economic interests in foreign affairs *Smedley D. Butler, USMC* Mark Strecker, 2014-01-10 The practice of big business promoting war to profit materially was firmly in place by the time Major General Smedley D Butler wrote about it in his anti corporate pamphlets This historical biography explores the life of Butler a little known American Marine who exposed an alleged fascist coup to remove President Franklin D Roosevelt from office This text is an exploration of the political issues of the first half of the twentieth century and an examination of a complicated valiant man who shifted from Republican ideals to anti corporate left wing populism **The United States 15th Infantry Regiment in China, 1912-1938** Alfred Emile Cornebise, 2004-11-03 Taking up its position astride the Peking Mukden Beijing Shenyang railway beginning in January 1912 the United States Fifteenth Infantry Regiment was engaged in protecting American interests in China The 1000 man force was especially challenged during the 1920s those tumultuous years when warlords struggled to gain ascendancy in the Chinese Republic Although Chiang Kai shek established a measure of control in China by 1928 the regiment remained in China partially to counter Japan s increasingly aggressive actions despite considerable misgivings within and outside of the United States Army as to the feasibility desirability and ethical appropriateness of the policy retaining it there The success of the Japanese in conquering much of eastern China finally compelled Washington to withdraw the regiment on March 2 1938 This work recounts and assesses some aspects of the involvement and service of the Fifteenth Infantry Regiment during its fateful quarter of a century in the Orient between the World Wars Also detailed is the Army s service in those years in general Many insights are provided regarding the self perceptions of a key generation of U S military personnel deployed there *The Shanghai Stars and Stripes* Alfred Emile Cornebise, 2010-03-08 This work is an account of the China edition of the U S Army s daily newspaper The Stars and Stripes which was geared toward service personnel in the China Theater of Operations at the end of World War II and published for nearly a year The book addresses Japanese repatriations war crime trials the Chinese civil war and the rise of Communism as covered by the paper and the paper s role in strengthening U S troop morale *US Armed Forces in China 1856-1941* John Langellier, 2012-01-20 This volume reveals the little known story of the 90 year presence of American forces in China until the fall of Peking in 1941 Included is coverage of the first

operations on the Pearl River in 1856 as well as US involvement in the Boxer Rebellion of 1900 As China entered a chaotic period in her history known as the years of the Warlords American marines also participated in numerous small scale amphibious landings Finally during the later Sino Japanese War and early into World War II US volunteers of the Flying Tigers became renowned for their combat missions in support of Chinese Nationalist forces and their aerial duels are also recounted by the author John P Langellier who has spent several years researching the subject in the US and China Discover the history of these various actions and the different services involved recreated in color artwork and illustrated with rare previously unpublished photographs

Gangsters of Capitalism Jonathan M. Katz,2022-01-18 A groundbreaking journey tracing America s forgotten path to global power and how its legacies shape our world today told through the extraordinary life of a complicated Marine Far more extraordinary than even the life of Smedley Butler The Washington Post Smedley Butler was the most celebrated warfighter of his time Bestselling books were written about him Hollywood adored him Wherever the flag went The Fighting Quaker went serving in nearly every major overseas conflict from the Spanish War of 1898 until the eve of World War II From his first days as a 16 year old recruit at the newly seized Guant namo Bay he blazed a path for empire helping annex the Philippines and the land for the Panama Canal leading troops in China twice and helping invade and occupy Nicaragua Puerto Rico Haiti Mexico and more Yet in retirement Butler turned into a warrior against war imperialism and big business declaring I was a racketeer for capitalism Award winning author Jonathan Myerson Katz traveled across the world from China to Guant namo the mountains of Haiti to the Panama Canal and pored over the personal letters of Butler his fellow Marines and his Quaker family on Philadelphia s Main Line Along the way Katz shows how the consequences of the Marines actions are still very much alive talking politics with a Sandinista commander in Nicaragua getting a martial arts lesson from a devotee of the Boxer Rebellion in China and getting cast as a P O W extra in a Filipino movie about their American War Tracing a path from the first wave of U S overseas expansionism to the rise of fascism in the 1930s to the crises of democracy in our own time Gangsters of Capitalism tells an urgent story about a formative era most Americans have never learned about but that the rest of the world cannot forget
