The Unwritten Diary Of Israel Unger Life Writing:

The Unwritten Diary of Israel Unger Carolyn Gammon, Israel Unger, 2014-07-22 At the beginning of the Nazi period 25 000 Jewish people lived in Tarnow Poland By the end of the Second World War nine remained Like Anne Frank Israel Unger and his family hid for two years in an attic crawl space Against all odds they emerged alive Now after decades of silence here is Israel s unwritten diary Nine people lived behind that false wall above the Dagnan factory in Tarnow Their stove was the chimney that went up through the attic their windows were cracks in the wall Survival depended on the food the adults leaving the hideout at night were able to forage Even at the end of the war however Jewish people emerging from hiding were still not safe After the infamous postwar Kielce pogrom Israel s parents sent him and his brother as orphans to France in a program called Rescue Children a Europe wide attempt to find Jewish children orphaned by the Holocaust When the family was finally reunited they lived a precarious existence between France as people sans pays and England until the immigration papers for Canada came through in 1951 In Montreal in the world described so well by Mordecai Richler Israel s father a co owner of a factory in Poland was reduced to sweeping factory floors At the local yeshiva Jewish high school Israel discovered chemistry and a few short years later he left poverty behind He had a stellar academic career married and raised a family in Fredericton New Brunswick The Unwritten Diary of Israel Unger is as much a Holocaust story as it is a story of a young immigrant making every possible use of the opportunities Canada had to offer *Three Plays of Maureen Hunter* Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New Not the Whole Story Lea Caragata, Judit Alcalde, 2014-04-18 Not the Whole Story is a compilation of sixteen stories narrated by single mothers in their own way and about their own lives Each story is unique but the same issues appear again and again Abuse parenting as single mothers challenges in the labour market mental health and addictions issues a scarcity of quality childcare immigration and status vulnerability struggles with custody and poverty these factors combined with a lack of support contribute to their continued struggles The themes that recur across stories illustrate that the issues the women face are not just about individual struggle they demonstrate that major issues in Canada s social system have been neglected in public policy In order for these issues to be addressed we need to challenge the flawed public policies and the negative discourse that continue to marginalize single mothers in terms of the opportunities in their own lives and in terms of how they are understood by other Canadians The first person narratives of the struggles and issues faced by low income single mothers provide narrative richness and are augmented by introductory and concluding chapters that draw the narrative themes together and offer overarching discussion and analysis In the Unlikeliest of Places Annette Libeskind Berkovits, 2014-09-15 Annette Libeskind Berkovits thought her attempt to have her father record his life s story failed But in 2004 three years after her father s death she was going through his things and found a box of tapes several years worth with his spectacular life triumphs and tragedies told one last time in his baritone voice Nachman Libeskind s remarkable story is an odyssey through crucial events of the

twentieth century With an unshakable will and a few drops of luck he survives a pre war Polish prison witnesses the 1939 Nazi invasion of Lodz and narrowly escapes is imprisoned in a brutal Soviet gulag where he helps his fellow inmates survive and upon regaining his freedom treks to the foothills of the Himalayas where he finds and nearly loses the love of his life Later the crushing communist regime and a lingering postwar anti Semitism in Poland drive Nachman and his young family to Israel where he faces a new form of discrimination Then defiantly Nachman turns a pocketful of change into a new life in New York City where a heartbreaking promise leads to his unlikely success as a modernist painter that inspires others to pursue their dreams With just a box of tapes Annette Libeskind Berkovits tells more than her father s story she builds an uncommon family saga and reimagines a turbulent past In the process she uncovers a stubborn optimism that flourished in the unlikeliest of places
