## Top Selling Romance S:

Modernism and the Women's Popular Romance in Britain, 1885-1925 Martin Hipsky, 2011-10-15 Today's mass market romances have their precursors in late Victorian popular novels written by and for women. In *Modernism and the Women's Popular Romance* Martin Hipsky scrutinizes some of the best-selling British fiction from the period 1885 to 1925, the era when romances, especially those by British women, were sold and read more widely than ever before or since. Recent scholarship has explored the desires and anxieties addressed by both low modern and high modernist British culture in the decades straddling the turn of the twentieth century. In keeping with these new studies, Hipsky offers a nuanced portrait of an important phenomenon in the history of modern fiction. He puts popular romances by Mrs Humphry Ward, Marie Corelli, the Baroness Orczy, Florence Barclay, Rebecca West, Elinor Glyn, Victoria Cross, Ethel Dell, and E. M. Hull into direct relationship with the fiction of Virginia Woolf, Katherine Mansfield, James Joyce, and D. H. Lawrence among other modernist greats. The Complete Idiot's Guide to Getting Your Romance Published Julie Beard, 2000-01-01 Takes the budding romance novelist through the entire process of developing story ideas, editing, finding publishers, and marketing. **Reading Popular Romance in Early Modern England** Lori Humphrey Newcomb, 2002 This volume examines the proliferation of popular romances, their vilification by elite writers, and the ultimate opposition of popular and literary fiction. Using Robert Greene's *Pandoosto* (1585), an Elizabethan prose romance that inspired Shakespeare's late play *The Winter's Tale* as a case study, Newcomb demonstrates that versions of the two texts repeatedly converge, resisting simple high/low division. Because Shakespeare's works are considered timeless literary achievements, critics have distanced his plays from their romance sources, a separation that until now has gone largely unquestioned. Newcomb challenges this assumption, providing a fascinating account of an early best-seller's incarnations over 250 years of literary history. *Romances of the Archive in Contemporary British Fiction* Suzanne Keen, 2003-01-01 A detailed examination of the growing genre of British fiction featuring archives and archival research, from A. S. Byatt's Booker Prize-winning *Possession* to the paperback thrillers of popular novelists. **Modern Love** David Shumway, 2003-08 My ideas of romance came from the movies, said Woody Allen, and it is to the movies as well as to novels, advice columns, and self-help books that David Shumway turns for his history of modern love. *Modern Love* argues that a crisis in the meaning and experience of marriage emerged when it lost its institutional function of controlling the distribution of property and instead came to be seen as a locus for feelings of desire, togetherness, and loss. Over the course of the twentieth century, partly in response to this crisis, a new language of love intimacy emerged, not so much replacing but rather coexisting with the earlier language of romance. Reading a wide range of texts from early twentieth-century advice columns and their late twentieth-century antecedent, the relationship self-help book, to Hollywood screwball comedies and from the relationship films of Woody Allen and his successors to contemporary realist novels about marriages, Shumway argues that the kinds of stories the culture has told itself have changed. Part layperson's

history of marriage and romance part meditation on intimacy itself Modern Love will be both amusing and interesting to almost anyone who thinks about relationships and who doesn't      Last First Kiss: A Collection of Dark Romances W.
