Tori Amos Boys For Pele:

Tori Amos' Boys for Pele Elizabeth Merrick,2014-06-19 This is a book on Tori Amos s 1996 album Boys for Pele Her third solo album the one where she s suckling a pig and holding a shotgun on the cover The one that enticed her to go off to the Amazon rainforest take the hallucinogen ayahuasca with some shamans and come back to us with the crucial information that the devil is really a woman in a white Chanel suit driving an ice cream truck a bit of insight which ultimately gave root to the song Father Lucifer Boys for Pele is rich in mythology and texture It is also her fans favorite The fans have scientifically proven this on the internet They love the polls On Boys for Pele Amos bangs the hell out of a harpsichord and paints a sonic landscape that every woman knows but had honestly I know this sounds weird now but it was true then barely heard spoken before Is she really saying that She gets the texture down of your most self hating one night stands and obsessions without being obvious and by tying it in to much bigger mythological stories These stories these nooks and crannies of women s hearts find a shape that makes them matter makes them mythological sexual not just sexy smart angry broken vulnerable complex powerful in a way that is not some kind of cheesy go girl catchphrase or shoulder pad business suit Before Boys for Pele in the culture at large going near any of this stuff as content seemed more like a trite Cosmo article on the dangers of cutting or of anorexia a cheap warning against being too Sylvia Plath The album s biggest predecessor somehow is Joni Mitchell s Blue This is the landscape that Alanis and Fiona Apple try to get to but Boys for Pele does it with adequate depth and drawing on such rich mythology that the album becomes a transformative work a key to its listeners inner worlds in many cases Amos has often mentioned Persephone s journey to the underworld in context of this album and it does in fact take you down through the unconscious realms and back up again that are hard to get to otherwise **Tori Amos: "Boys for Pele"** Music Sales Corporation, **Tori Amos's Boys for Pele** Amy Gentry,2018-11-01 It s hard to think of a solo female recording artist who has been as revered or as reviled over the course of her career as Tori Amos Amy Gentry argues that these violent aesthetic responses to Amos s performance both positive and negative are organized around disgust the disgust that women are taught to feel not only for their own bodies but for their taste in music Released in 1996 Amos s third album Boys for Pele represents the height of Amos s willingness to explore the ugly qualities that make all of her music even her more conventionally beautiful albums so uncomfortably and so wonderfully strange Using a blend of memoir criticism and aesthetic theory Gentry argues that the aesthetics of disgust are useful for thinking in a broader way about women s experience of all art forms [Tori Amos Albums](#) Source Wikipedia,2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online Commentary music and lyrics not included Pages 24 Chapters Strange Little Girls Boys for Pele Scarlet s Walk From the Choirgirl Hotel Under the Pink Midwinter Graces Abnormally Attracted to Sin American Doll Posse A Piano The Collection To Venus and Back Little Earthquakes The Beekeeper Y Kant Tori Read Tales of a Librarian Excerpt Midwinter Graces is the 11th studio album by singer songwriter

Amos,1996-01 A book of lyrics and music by Tori Amos *Manic Street Preachers' The Holy Bible* David Evans,2019-05-16 In August 1994 Manic Street Preachers released *The Holy Bible* a dark fiercely intelligent album that explored such themes as mental illness murder and war Richey Edwards the band s lyricist and motive force vanished five months later he was never found In his absence *The Holy Bible* entered the rock canon alongside Joy Division s *Closer* and Nirvana s *In Utero* the valedictory works of troubled young men This book tells the dramatic story of Manic Street Preachers masterpiece Tracing the album s origins in the Valleys an industrialised region of South Wales where the band spent their formative years the author argues that *The Holy Bible* can be seen as a meditation on the uses and abuses of history *David Bowie's Diamond Dogs* Glenn Hendler,2020-03-05 After his breakthrough with Ziggy Stardust and before his U S pop hits *Fame* and *Golden Years* David Bowie produced a dark and difficult concept album set in a post apocalyptic Hunger City populated by post human mutants *Diamond Dogs* includes the great glam anthem *Rebel Rebel* and utterly unique songs that combine lush romantic piano and nearly operatic singing with scratching grungy guitars creepy insidious noises and dark pessimistic lyrics that reflect the album s origins in a projected Broadway musical version of Orwell s 1984 and Bowie s formative encounter with William S Burroughs In this book Glenn Hendler shows that each song on *Diamond Dogs* shifts the ground under you as you listen not just by changing in musical style but by being sung by a different I who directly addresses a different you *Diamond Dogs* is the product of a performer at the peak of his powers but uncomfortable with the rock star role he had constructed All of the album s influences looked to Bowie like ways of escaping not just the Ziggy role but also the constraints of race gender sexuality and nationality These are just some of the reasons many Bowie fans rate *Diamond Dogs* his richest and most important album of the 1970s **Earth, Wind & Fire's That's the Way of the World** Dwight E.

24-Carat Black's Ghetto: Misfortune's Wealth Zach Schonfeld,2020-11-12 In 1973 the musical collective 24 Carat Black released an unheralded masterpiece on Stax Records and then disappeared Ghetto Misfortune s Wealth a soul funk concept album primarily written by the ex Motown arranger Dale Warren was too bleak ambitious or just outright bizarre to reach mainstream audiences 24 Carat Black collapsed when Stax went bankrupt and the group s only completed album sank into cultural obscurity With deep reporting elucidating an untold story full of cinematic details this book traces how Ghetto went from commercial flop to enigmatic underground classic embraced by the hip hop community It also chronicles in infuriating detail how the music industry of the 1970s systematically exploited soul musicians and then left them struggling to get paid and where 24 Carat Black fits into this broader injustice This is a fascinating and multilayered story about a remarkable album nearly lost to history It s also a rare glimpse into what it s like to have your music resurrected by rap samples decades after your career fell apart
