Young People Using Family Violence Kate Fitz-Gibbon,Heather Douglas,JaneMaree Maher,2021-05-08 This book examines the use of violence by children and young people in family settings and proposes specialised and age appropriate responses to these children and young people It interrogates the adequacy and effectiveness of current service and justice system responses including analysis of police court and specialist service responses It proposes new approaches to children and young people who use violence that are evidence based non punitive and informed by an understanding of the complexity of needs and the importance of age appropriate service responses Bringing together a range of Australian and International experts it sheds new light on questions such as How can we best understand and respond to the use of family violence by young people To what extent do traditional family violence responses address the experiences of adolescents who use violence in family settings What barriers to help seeking exist for parental and sibling victims of adolescent family violence To what degree do existing support and justice services provide adequate responses to those using adolescent family violence and their families In what circumstances do children kill their biological and adopted parents The explicit focus on child and adolescent family violence produces new knowledge in the area of family violence which will be of relevance to academics policy makers and family violence practitioners in Australia and internationally

Working with Survivors of Sibling Sexual Abuse Christiane Sanderson,2024-02-21 Sibling sexual abuse is considered to be one of the most common forms of child sexual abuse within the family setting yet it is often ignored downplayed or denied in spite the impact on survivors Shining a spotlight on the hidden phenomenon Christiane Sanderson provides a rigorous account of the nature and dynamics of sibling sexual abuse She provides a clear explanation of the difference between developmentally appropriate consensual sexual exploration and developmentally inappropriate non consensual sexual behaviour The focus is on how these behaviours impact the sibling being harmed the sibling who is harming the wider family and adult survivors This book is essential reading for anyone involved in assessing supporting safeguarding or treating individuals or families impacted by sibling sexual abuse and all those working with adult survivors

Parricide and Violence against Parents Marianna Muravyeva,Phillip Shon,Raisa Maria Toivo,2020-12-30 Parricide and Violence Against Parents takes a historical and criminological approach to the

research on parricide and violence against parents placing the research in the context of social development from the 1500s to contemporary society and giving a global overview and comparison The book examines parricide and violence against parents as historically and culturally sensitive phenomena It offers evidence on a seemingly rare subject from different eras areas and cultures and then uses the cross disciplinary data to produce a new systematic insight for the reader Case studies shift the discussion from the contemporary focus on adolescent to parent abuse to examining the sources of conflict during life cycles of parents and their offspring A historical approach illuminates the variations in conflicts between parents and their offspring that are shaped by the life stages of the victims and offenders themselves across time The book argues that parental authority has been marked by property ownership and tax paying responsibilities throughout history The continued possession of property resulted in power the reluctance to part with it becoming a notable source of conflict across generations within families Parental authority was protected by means of heavy penalties and punishments and didactic teachings in almost every society at every stage of historical development It was also challenged constantly by children as a part of their coming into adulthood The abuse of parents has often been connected to situations where adult children were prevented from gaining the amount of independence appropriate to their position in life This led to disputes over authority and the legitimate grounds for that authority Offering an insight into complicated and interconnected histories of generational conflicts and how they affect modern families in different parts of the world this book will be of great interest to students and scholars of criminology history of crime history of the family family violence homicide studies gender studies history of emotions political violence and social work
