Understanding Generalist Practice 6th Sixth Edition:

Instructor's Edition for Understanding Generalist Practice Kirst-Ashman, 2001-07 Research Methods for Generalist Social Work Christine R. Marlow, 2023-02-28 Social work professionals must have a deep understanding of research methods to effectively serve their clients and communities In this comprehensive guide Christine Marlow emphasizes this link between research and practice She focuses on the relevance of research methods within agency work where most social work graduates will be employed rather than strictly an academic setting With a focus on generalist social work practice she offers a clear and concise overview of the research process including identifying research questions selecting appropriate research designs and analyzing data Using real world examples and case studies Marlow helps readers understand how research can be used to inform social work practice and drive positive change in communities With a strong emphasis on ethics and cultural competence this text prepares social work students and professionals to conduct research that is both effective and socially responsible

An Introduction to Applying Social Work Theories and Methods 3e Barbra Teater, 2019-12-02 The text is a comprehensive guide to the most commonly used theories and methods in social work practice The introductory chapter covers the similarities and differences between a theory and a method as well as psychosocial theories and concepts Each subsequent chapter then explores in detail how to implement theories and methods their strengths and limitations alongside case examples critical thinking questions and suggested further resources Key features Illustrative case studies Exercises Case examples Critical thinking questions Further readings resources Revised content including the addition of genograms and ecomaps This is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements The book is an updated third edition to a successful and established series The clarity with which Teater describes complex concepts for social workers is refreshing This book will help promote understanding and best practice whilst being firmly grounded in key theories It is a must have for all social workers wherever they practise Dr Jonathan Parker Professor of Society Social Welfare Bournemouth University UK This latest edition of Theories and Methods is as solid as its predecessors academically with a clear and easy to follow structure that makes it accessible in a way many such books are not I have used previous editions in many situations settings and levels and endorse this latest as a must have for anyone involved with social work Explanation is clear and the use of tables diagrams and cases bring the theory alive and enable users to realistically transfer theory to practice The use of exercise and questions provide a springboard to deeper learning as do the handy references and pointers to further reading at the end of each chapter Inclusion of sections such as the cultural and ethical considerations lend themselves to self analysis exploration and ultimately self development A dream of a book to work with as an academic tutor practice educator and trainer as well as student Michele Winter Independent Social Worker Teacher Trainer Social Care Training I can wholeheartedly recommend this revised and updated edition of Barbra Teater s highly successful book It

remains essential reading for practitioners undergraduate and postgraduate students of social work The book provides a compelling and easily accessible analysis of key theories and methods It challenges both students and practitioners to consider and reconsider how they can apply theories and methods to practice more effectively Prof Hugh McLaughlin Manchester Metropolitan University UK What a great book Barbra Teater and colleagues have managed to bring together a wealth of learning about different theories and methods of social work intervention in a clearly written and accessible format Each chapter is focused on the application of theory to practice and as such helps to act as a bridge from the classroom to direct work with individuals families and groups This new and updated edition is very likely to be one of those books that students have by their side throughout their studies and bring with them into professional practice after graduation Dr John Devaney Centenary Professor of Social Work University of Edinburgh UK

Forthcoming Books Rose Arny, 2002

Social Work with Groups Charles Zastrow, 2001 Zastrow s book is a rich resource and hands on guide that students like to keep for future reference This ten part book has each chapter module broken down into a particular format First the goal of the chapter is stated then the chapter provides the theoretical material for the class and then exercises are given to illustrate the key concepts in the chapter Students are encouraged to break into groups and lead the class in the exercises the class then becomes a lab for students to learn how to work in and lead all kinds of groups

Bowker's Law Books and Serials in Print, 1995

Rural Social Work T. Laine Scales, Calvin L. Streeter, 2004 Following an introduction by the co editors this collection of 27 contributed readings from academics students and practitioners is presented in 5 parts introduced by Lead Teachers This book presents a framework for asset building based on the strengths assets and capacities of people all of which are critical for working with rural communities

Economics for Social Workers Arline Wyner Prigoff, 2000 In this

timely and unique new book Arline Prigoff teaches social work students and practitioners about the social consequences of economic development and trade policies and what can be done to prevent further erosion of the quality of life in local communities as a result of economic globalization It presents alternative strategies for community economic development and suggests vital roles for social work students and practitioners as facilitators and partners in projects and processes of community empowerment *Social Work Practice with Families* Lonnie R. Helton, Maggie Jackson, 1997 **Book Review Index**, 2006 Every 3rd issue is a quarterly cumulation **Understanding Human Behavior and the Social Environment** Charles Zastrow, Karen Kay Kirst-Ashman, 1997 Using systems theoretical framework this text incorporates human development and behavior theories and knowledge within the context of family organizational and community systems and examines the impact of social and economic forces on individuals and social systems Consistent with the curriculum policy statements of the CSWE content on social work values and ethics diversity social and economic justice and populations at risk is also included Relating theory and knowledge to practice skills examples and applications the material is relevant interesting and provides students with a sound base on which to build assessment skills New material covers Hispanic women and community development religion and spirituality cultural biases and IQ tests ethnic and cultural differences in families and schools sexual harassment cases plaguing high places i e Packwood Clinton and Greene the Africentric perspective and homosexuality statistics **American Book Publishing Record**, 2003 **Social Welfare & Social Development in South Africa** Leila Patel, 2005 The White Paper for Social Welfare adopted by Parliament in 1997 provided a policy framework to shift social welfare from meeting the needs of a small minority to a social development perspective This policy change has required the complete overhaul of the current welfare system with far reaching implications for human and financial resources policy and legislative reform in line with the new constitution and the Bill of Rights changes in institutional arrangements and trade offs between different sectors and interests in society In the past social work education was not developmentally orientated and tended to borrow uncritically from North American and European theory and practice There was a lack of South African and African literature in the field of welfare and development In addition to the need for the renewal of social work education in South Africa there was also a need for the re orientation of existing social workers to implement new welfare thinking and to appraise theory and practice critically *Subject Guide to Books in Print*, 1993
