Understanding Gods First Earth:

Understanding God's First Earth Howard W. Hall, 2011-08 Readers of Understanding God's First Earth believers and non believers alike will feel Howard W Hall's unconstrained child like faith God commands of His children as this impassioned and devoted veteran Sunday School teacher of more than thirty years explains his studied understanding of the Creation as recorded in the Holy Bible's first eight chapters in easily understood layman's words Whether you agree or disagree with any or every aspect of Mr Hall's heartfelt conclusions Understanding God's First Earth encourages each of us to reevaluate the so called scientific evidence presented as fact by the vast majority of contemporary science and academia today In humankind's anxious pursuit of divine wisdom through science and technology Mr Hall contends much of the basis for our higher understanding is built upon supposition Ultimately Mr Hall most readily concedes only God can answer the many questions of how why and when we were created posed by humanity's innate curiosity But Understanding God's First Earth is one man's reflective insightful verse by verse interpretation of the first eight chapters of Genesis that will most surely aid your understanding of Creation as written in the Holy Bible

From Adam and Eve in the Garden of Eden to Joseph's reunion with his family. Do you ever wonder if God really did create the world in seven days? What's the deal with Cain and Abel anyway? And just how big was that boat Noah built? Start at the beginning with Pastor Skip Heitzig and the accounts on which the rest of Scripture is built: the creation of the world, the fall of mankind, and God's establishment of the history of the nation of Israel. Follow along and learn not just the origins of man but also the origins of God's plan for redemption. Understanding the book of Genesis is crucial to understanding the rest of the Bible. And it all starts in the beginning.

What Is God Up To? - Why Earth? - Why Eternity? Oliver E. Summers, 2008-10. This book has been a life time quest to understand why God created man and what God is after. It all started in March 1946 when I accepted Jesus Christ as LORD of my life. For sixty two years I have diligently studied the Bible and sought to find out and to understand. What Is God Up To? In December 2004 the LORD awakened me in the night and gave me the outline for the book GOD HAS A PLAN AND A PURPOSE FOR YOUR LIFE which was published in February 2006. On the morning of May 31, 2006 while in prayer the LORD gave me the outline for this book that endeavors to answer the questions WHAT IS GOD UP TO, WHY EARTH, WHY ETERNITY. I was to prepare a comprehensive study of the Biblical prophets and to correlate all they prophesied in a chronological order that would be related to Earth's history and eternity. Oliver E. Summers received a call to the ministry in 1946 when he was a young teenager. His ministerial training began in 1950 when he attended Southern California Bible College (name changed to Vanguard University of Southern California) and graduated with a B.A. degree in New Testament. He attended seminary at Berkeley Baptist Divinity School (name changed to American Baptist Seminary of the West) and graduated with a M.A. degree in New Testament. He also attended University of California at Los Angeles and completed many courses in business administration. His pastoral ministry included pastorates in Oregon, Texas, and California. He has served in the Methodist Church, American Baptist Church, Assemblies of God Churches, and several non denominational churches. He also spent time

in the financial industry and served as President and Chief Executive Officer of several independent community banks For the past twenty four months he has been in retirement preparing this book *Christianity from the Eyes of a Child* Floy Fenelon,2010-08-16 Christianity from the Eyes of a Child is an unbiased thirty years outlook on Christianity while answering the eternal question of the purpose of life Even in these contemporary times man still continues to seek the truths of faith and the completeness of the heart and soul To help everyone in this quest author Floy Fenelon brings forth an enlightening and comprehensive read that allows each one of his readers to understand the Christian view of the purpose of creation Even as a child and teenager Fenelon refused to accept the status quo and dared to continue his pursuit of asking the eternal question that every child has once asked and most adults forget it exists what is the purpose of life why are we on this earth where is this all going In this book Fenelon restores the biblical definition of Christianity and helps guide every reader to his or her purpose in creation

Angels or Aliens? James Brouillette,2020-01-29 Join the journey and examine the mysterious physical remains present on earth that are being used to mount a new attack against Christianity The reason for these ancient remains existence here on this planet is explained using scripture Angels or Aliens explores giants flying vehicles and angels as they are discussed and explained in the Bible and how they relate to the coming assault against Christians everywhere by this new theological lie This new false doctrine is explored which is now being prepared and developed in order to replace the Theory of Evolution as the Godless answer to mankind s origin This unique look at the modern world from a biblical point of view provides a positive Christian vision and reinforces the fact that God is in control and through Christ the victory is ours In addition through the process the reader is exposed to some possible end time scenarios that they may not have previously imagined After studying the media and the communication in which it engages Brouillette has identified a systematic indoctrination that has taken place over the last sixty years in the area of the existence of life on other planets and Angels or Aliens exposes this newest attack against the Christian belief that our world was created by God Using scripture this new humanist attack is debunked and the relationship this new theory might have with end times prophecy is exposed

The word of God, to guide Israel to eternal life, explained to John Wroe: containing articles of Israel's faith, and 12 sermons John Wroe,1834

The Contrast Truth Efe Umurhohwo,2021-06-29 The contrast truth is a religious book of more than one volume with volume 1 having about 280

pages the book considered the authenticity of some verses in both the Bible and the Quran in order to establish logical points. This book is necessitated by the level of lack of spiritual knowledge and understanding being displayed daily by those who call themselves theologians, Academia, spiritual leaders, religious Apologetics, and custodians of God's word in teachings concerning the one and only true God. It clearly compares statements and stories rendered in both books against the backdrop of the beliefs held by the adherents of the three major religions in the world. The main purpose of this book is to enlighten every spiritual-minded person about the truthfulness of the personality of the one and only true God whom all claim to be worshipping in order to bridge the disparities and abate hatred within the society at large. In this book, volume one, the true divinity of Jesus Christ as the Messiah was established with clear evidence from the Bible and Quran as references. No one has ever pointed this out in history. This book also points out the inconsistencies in both the Quran and the Bible against the existing dogma held by their adherents that both are void of such contradictions. This book consists of controversial questions that raises the consciousness of the reader to a degree of better understanding why questioning for the truth. Some of these questions asked were answered in this book while the unanswered one will be answered in the next volume. This book is written with an open mind with a great effort to be free of biasness and prejudice but based only on proves from the Bible and Quran. This makes it suitable for academic purpose. It is a potent weapon for Jews, Christians, and Muslim's apologetics to have during debates whenever it arises. This book is a must have for every home of Jews, Christians, and Muslims who seek knowledge about the true personality of Jesus Christ as recorded by all the prophets before him and how the prophet Muhammad's words differ in totality. It is a known fact that cannot be disregarded that all the religions in the world believe that there is God. Therefore, if they all claim to know Him, why do they fight each other's in the bid of fighting for God when God said He will only have mercy upon whom ever He wills. He does not say His mercy will only be for the Jews, neither did he say only for the Christians nor did he say for the Muslims only. Let no man boast that him or her own religion is only the right way, less such one perishes in their own ignorance. The only right way is to do the will of God. This book was able to prove that both Christianity and Islam as a Nation were promise fulfilled and are in God's plan just as Jacob and Esau, Isaac and Ishmael were all in God's plan of restoration of all things. The accurate knowledge of God is an important integer for one's salvation. Thus this book breaks it down to the simplest form for a layman to understand and to be well equipped while contending for his or her faith. In this book, a clear distinction was established between the two classes of Christianity that majority of pastors will never talk to their followers about. This is also a very strange subject most people have not heard of in Christianity. The book clearly shines a light on the difference between Jehovah in the Bible and Allah of the Quran. It also differentiates the Almighty God from the Mighty God in the Bible account with a supporting verse in the Quran which the Muslim Imam, the Christians Pastors, and the Jewish Rabbis never thought of or are spiritually blinded to. Finally, the book was concluded with the writer's submissions and advice for the religious fanatics and extremists of all religions to shun violence.

in the disguise of fighting God's fight because at the end God says He will have mercy on whom He will irrespective of one's religion
