Understanding Interpersonal Communication Making Choices In Changing Times Enhanced Edition:

Understanding Interpersonal Communication: Making Choices in Changing Times, Enhanced Edition Richard West, Lynn H. Turner, 2010-01-01 West and Turner's UNDERSTANDING INTERPERSONAL COMMUNICATION MAKING CHOICES IN CHANGING TIMES Enhanced Second Edition empowers your students by providing both the knowledge and practical skills they need to make choices as effective communicators in today's rapidly changing and technologically advanced society. The text eliminates the perceived division between theory and practice and clarifies their fundamental interconnections. The text powerfully supports skill development by exploring communication concepts in tandem with realistic scenarios and concrete behavior choices students can make in order to become more effective communicators. Rather than telling students how to communicate, the authors list a toolbox of key skills pertaining to each theory so students can actively choose and experiment with strategies appropriate for a given situation. Filled with realistic examples and scenarios that reflect the diversity and interactions of today's students, UNDERSTANDING INTERPERSONAL COMMUNICATION MAKING CHOICES IN CHANGING TIMES Enhanced Second Edition makes clear connections between theory, skills, and the life situations we all encounter on a daily basis. This enhanced second edition includes the student workbook bound in at the end of the text with chapter goals, outlines, interactive student activities, InfoTrac activities, and journal entries.
