Understanding Race and Ethnic Relations Vincent N. Parrillo, 2013-10-03 For undergraduate and graduate introductory level courses in race and ethnic relations Introducing the core theories concepts and issues concerning race and ethnic relations in the United States Based on the top selling title by the same author Strangers to These Shores this book provides a framework for understanding the interpersonal dynamics and the larger context of changing intergroup relations Following a presentation of introductory concepts in the first chapter particularly that of the stranger as a social phenomenon and the concept of the Dillingham Flaw the first group of chapters examines differences in culture reality perceptions social class and power as reasons for intergroup conflict These chapters also look at the dominant group s varying expectations about how minorities should fit into its society Chapters 2 and 3 include coverage of some middle range conflict and interactionist theories Chapters 4 and 5 explore the dimensions and interrelationships of prejudice and discrimination and Chapter 6 covers the dominant minority response patterns so common across different groups and time periods This chapter presents middle range conflict theories about economic exploitation too Chapter 7 employs holistic sociological concepts in discussing ethnic consciousness ethnicity as a social process current racial and ethnic issues fears and reactions and the various indicators of U S diversity in the 21st century

Understanding Race and Crime Colin Webster, 2007-07-16 Why are some ethnic minorities associated with higher levels of offending How can racist violence be explained Are the police and criminal justice system racist Are the reasons for offending and victimization among ethnic minorities different from those among ethnic majorities Understanding Race and Crime provides a comprehensive and critical introduction to the debates and controversies about race crime and criminal justice While focusing on Britain and America it also takes a broader international perspective with case studies including the historical legacy of lynching in the United States and racist state crime in the Nazi and Rwandan genocides The book provides a conceptual framework in which racism race and crime might be better understood It traces the historical origins of how thinking about crime came to be associated with racism and how fears and anxieties about race and crime become rooted in places destabilized by rapid social change The book questions whether race and ethnicity alone are significant enough factors to explain differing offending and victimization patterns between ethnic groups Issues examined include Contact conflict with the police Public disorder Involvement with the criminal justice system Understanding Race and Crime is essential reading for students from a range of social science disciplines and for a variety of crime related courses It is also useful to practitioners in the criminal justice field and those

interested in understanding the issues behind debates on race and crime **Strangers to These Shores** Vincent Parrillo, 2019 **Global Social Media Design** Huatong Sun, 2020-01-02 Social media users fracture into tribes but social media ecosystems are globally interconnected technically socially culturally and economically At the crossroads Huatong Sun author of *Cross Cultural Technology Design* presents theory method and case studies to uncover the global interconnectedness of social media design and reorient universal design standards Centering on the dynamics between structure and agency Sun draws on practice theories and transnational fieldwork and articulates a critical design approach The CLUE2 CLUE squared framework extends from situated activity to social practice and connects macro institutions with micro interactions to redress asymmetrical relations in everyday life Why were Japanese users not crazed about Facebook Would Twitter have had been more successful than its copycat Weibo in China if not banned How did mobilities and value propositions play out in the competition of WhatsApp WeChat LINE and KakaoTalk for global growth Illustrating the cultural entanglement with a relational view of design Sun provides three provocative accounts of cross cultural social media design and use Concepts such as affordance genre and uptake are demonstrated as design tools to bind the material with the discursive and leap from the critical to the generative for culturally sustaining design Sun calls to reshape the crossroads into a design square where differences are nourished as design resources where diverse discourses interact for innovation and where alternative design epistemes thrive from the local This timely book will appeal to researchers students and practitioners who design across disciplines paradigms and boundaries to bridge differences in this increasingly globalized world **Ethnocultural Factors in Substance Abuse Treatment** Shulamith Lala Ashenberg Straussner, 2012-04-23 This book presents a culturally informed framework for understanding and treating substance abuse problems From expert contributors chapters cover specific ethnocultural groups in the United States including Americans of African Native American Latino European Middle Eastern and Asian descent Authors examine how ethnocultural factors may affect a person's attitudes toward alcohol and other drugs patterns of substance use reasons for seeking treatment and responsiveness to various interventions Themes addressed include the impact of migration and acculturation issues spiritual values and traditions family structures gender roles and experiences of prejudice and discrimination Featuring a wealth of illustrative clinical material the book makes concrete recommendations for more competent effective assessment and intervention It also guides clinicians toward greater awareness of the ways their own ethnocultural backgrounds may affect their interactions with clients *Social Justice and Transformative Learning* Sandra M. Tomlinson-Clarke, Darren L. Clarke, 2016-03-10 The similarities between the United States and South Africa with respect to race power oppression and economic inequities are striking and a better understanding of these parallels can provide educational gains for students and educators in both countries Through shared experiences and perspectives this volume presents scholarly work from U S and South African scholars that advance educational practice in support of social justice and transformative learning It provides a

comprehensive framework for developing transformational learning experiences that facilitates leadership for social justice and a deeper understanding of the factors influencing personal national and global identity *Handbook of Racial-Cultural Psychology and Counseling, Volume 2* Robert T. Carter, 2004-11-12 This two volume handbook offers a thorough treatment of the concepts and theoretical developments concerning how to apply cultural knowledge in theory and practice to various racial and cultural groups Volume Two focuses on practice and training and addresses such topics as assessment testing group therapy occupational therapy supervision ethics couples and family therapy continuing education **Resources in Education**, 1994
