Masculinity and Popular Television Rebecca Feasey, 2008 An introduction to the key debates concerning the representation of masculinities in contemporary television programming

Reading CSI Allen Michael, 2007-08-20 Taking a scalpel to the CSI juggernaut

Television Sitcom Brett Mills, 2005-11-17 Despite its global reach longstanding popularity and immense profitability sitcom has been repeatedly neglected in theoretical work on television and media This book demonstrates that this lack needs to be sorely addressed by dragging analysis of sitcom up to date with a wealth of contemporary examples a range of new approaches to the genre and examination of the roles sitcom and comedy play within society The book takes as its starting point the variety of ways in which sitcom has traditionally been explored A chapter on genre examines the history and development of sitcom and the institutional structures which produce it There is also analysis of differences between sitcoms produced in a range of countries and what happens when a programme gets sold abroad and remade A chapter on representation explores the debates about the ways in which sitcom chooses who to make jokes about and why and whether this matters And a chapter on performance argues that this is a vital and underexplored aspect of sitcom s funniness and interrogates the ways in which comic actors make their performance funny With specific case studies on Will and Grace The Office and The Cosby Show as well as analysis of a broad range of

contemporary and historical examples throughout this book will be of interest to students of sitcom and comedy as well as those of television and popular culture Television Emma Carlson Berne,2008 Pro con articles on how television affects people and society Library & Information Science Abstracts ,2005 Re-viewing Television History Helen Wheatley,2007-10-24 Written by leading scholars in the field this book is an internationally relevant cutting edge reassessment of both current methods and practices in television historiography and of assumptions about television history itself The book focuses on debates about the canon on institutions texts and audiences and the interconnections between these distinct areas Through discussions and case studies it covers a wide selection from television s approaches to immigration and natural history to economic histories of television the framing of television aesthetics and problems in constructing a television canon Each section opens with the editor s overview of the historical research and an appendix details the main research resources for television historians in the UK **Young People and Gendered Media Messages** Maria Jacobson,2005 The report attempts to account for what is going on in the field of gender and media in a broad sense The main focus is on news content and popular mainstream media primarily targeted at children and young people Included are studies and reports from different disciplines as media issues also attract scholars outside traditional media and communications research **Screen** ,2008 Choice ,2006 The British National Bibliography Arthur James Wells,2004

Unterhaltung Brigitte Frizzoni,Ingrid Tomkowiak,2006 **Narrating Media History** Michael Bailey,2009 Explores British media history as a series of competing narratives This collection identifies and contrasts the various interrelationships between media histories and also encourages dialogue between different historical political and theoretical perspectives including liberalism feminism populism nationalism and libertarianism Reality TV Misha Kavka,2012-02-15 Is reality TV a coherent genre This book addresses this question by examining the characteristics contexts and breadth of reality TV through a history of its programming trends Paying attention to stylistic connections as well as key concepts this study breaks reality television down into three main generations the camcorder generation the competition generation and the celebrity generation Beginning with a consideration of the applicability of the term genre for this televisual hybrid the book takes a transnational approach to investigating the forms and formats of reality TV framed by relevant popular and critical discourses Books in Print Supplement ,2002 The Writers Directory ,2013 **Reality TV** Annette Hill,2004-11-11 Drawing on quantitative and qualitative audience research to understand how viewers categorize the reality genre From Animal Hospital to Big Brother this book examines the voices of people who watch reality programmes
