The Palestine-Israel Conflict Gregory Harms, Todd M. Ferry, 2017-07-20 The Palestine Israel conflict is the most notorious and ingrained conflict in living memory Yet the way it is reported in the media is often confusing leading many to falsely assume the hostilities stretch continuously back to an ancient period The Palestine Israel Conflict provides a balanced accessible and annotated introduction that covers the full history of the region from Biblical times until today Perfect for the general reader as well as students it offers a comprehensive yet lucid rendering of the conflict setting it in its proper historical context This fourth edition brings us up to date and includes recent events such as Israel's Operation Protective Edge developments between Fatah and Hamas ongoing Palestinian resistance and the entirety of the Obama years This book cuts through the layers of confused and contradictory information on the subject and will help clarify the ongoing conflict for its readers

Beauty for Ashes: Understanding the Israel-Hamas War Judith Mendelsohn Rood, 2024-12-28 This guide to understanding the grotesque Hamas attack on Israel on the Sabbath of Darkness October 7 2023 is framed by a biblical generous theology of history Judith Mendelsohn Rood shares her experiences as a researcher at the Islamic Court in Jerusalem a professor of Middle Eastern history teaching world history at an evangelical Christian university and as a participant in Israeli Palestinian reconciliation ministries Her story is interwoven with her perspectives on the imperative of loving one's enemies during this age of war Her faith in Yeshua has given her hope and courage during her forty years engaging with the enemy an enemy she has known as friends Beauty for Ashes shows us how the Biblical metanarrative guides us to the answers we seek and equips us for the battle ahead

West Meets East David Harb, 2010-09-24 Although Israel and Palestine is a very small piece of land in the planet it has received more global attention over the last 60 years and perhaps any other part of the globe This primer is designed to help clarify the issues to give the reader a better understanding of the conflict Israel claims it is theirs and Palestine claims it belongs to the Palestinians This book is intended to validate both claims with the purpose of creating a peace that both people can live side by side in harmony with

one another Many attempts have been made in the past to create a lasting peace This is the appropriate time in history to bring both parties to the table with the intentions of bringing together a comprehensive peace agreement to both sides

No Land an Island Carolyn LaDelle Bennett,2012 From internationalist and nonpartisan progressive author of *Same Ole or Something New* and *BREAKDOWN* comes another thought provoking work *NO LAND AN ISLAND NO PEOPLE APART* challenging readers to face the callously immoral lawless relentlessly regressive model in U S foreign relations and embrace an authentic progressivism This book is unconcerned with political figures per se or their parties Bennett says but rather with a malignant system maintained by a parade of tentacled regimes whose official elected base of operation begins in the capital of the United States a system that is seemingly endorsed by the people of the United States The author maintains that the United States has created and entrenched a narrow worldview espousing an attitude that all land and peoples belong to America to use and abuse to pillage and plunder In this work Dr Carolyn LaDelle Bennett takes a second look at U S relations with Afghanistan and Pakistan Iran and Iraq Bahrain and Yemen Libya and Somalia and sees a continuing *BREAKDOWN* that worsens in act and consequence She then presents her own ideas and worldview and a challenge to embrace a nonviolent transformative inclusive progressivism imbued with a sense of global society a sensibility that inspires constructive continuous forward movement Bold and daring *NO LAND AN ISLAND NO PEOPLE APART* is an educator's guide a philosopher's critique a news writer's eye an internationalist's sensibility chronicling U S foreign relations violence and the human costs East Africa crossing the Red Sea and Gulf of Aden into Persia the Middle East South Central Asia *United States: Arab Lobby in the United States Handbook: Organization, Operations, Performance* IBP, Inc.,2015-04 United States Arab Lobby in the United States Handbook Organization Operations Performance **Journal of Palestine Studies** ,2002

MultiCultural Review ,2007 Understanding Israel/Palestine Eve Spangler,2015-06-28 The Israeli Palestinian conflict is the longest ongoing hot and cold war of the 20th and 21st centuries It has produced more refugees than any current conflict generating fully one quarter of all refugees worldwide Everyone knows that the Palestinian Israeli conflict is important itself and is also fueling tensions throughout the Middle East Yet most people shy away from this conflict claiming it is just too complicated to understand This book is written for people who want a point of entry into the conversation It offers both a historic and analytic framework Readers whether acting as students parishioners neighbors voters or dinner guests will find in these pages an analysis of the most commonly heard Israeli positions and a succinct account of the Palestinian voices we seldom hear I argue that human rights standards have never been used as the basis on which the Israeli Palestinian conflict should be resolved and that only these standards can produce a just and sustainable resolution This book will be useful for classes in Middle East studies peace and conflict studies Middle East history sociology of race and political science It can be helpful for church groups labor groups or other grass roots organizations committed to social justice and for all readers who wish to be informed about this important topic Professor Spangler s quest for historical and

political understanding takes us on a brave and intimate journey into the consequences of Jewish privilege and Jewish victimhood the agendas of imperial superpowers and the Palestinian struggle for self determination Alice Rothchild MD author of Broken Promises Broken Dreams Stories of Jewish and Palestinian Trauma and Resilience and producer and director of documentary film Voices Across the Divide A sharp poignant well documented dossier that provides readers with all the most needed facts to grasp the conflict and get involved Sam Bahour co editor of Homeland Oral Histories of Palestine and Palestinians and business development consultant and activist based in Palestine This one is exceptional It recounts a historical tale it provides theoretical underpinnings it does comparative work it examines all the details and aspects of ongoing debates and it brings all to life with real life stories the wonder of this book is its insistence on hope not a naive idealistic hope but one accompanied by a tool box for concrete action that might right the wrongs of this tragic tale Anat Biletzki Professor of Philosophy Tel Aviv University and Albert Schweitzer Professor of Philosophy Quinnipiac University Chairperson of B Tselem 2001 2006 Eve Spangler is a sociologist and a human and civil rights activist For the last decade her work has focused on the Israel Palestine conflict she argues that human rights are the neglected standards that could lead to a just and sustainable solution
