Taboo Kitty Jordan, Sofia sighed softly as Bates lifted the hem of her delicate summer dress exposing the curve of her bottom encased in lace panties His rough fingers traced the outline of her cheeks through the fabric eliciting a moan from her lips that betrayed her arousal Sensing her readiness the gardener slowly pulled her panties down to her knees leaving her exposed and vulnerable before him She gasped feeling a mixture of embarrassment and excitement at her own submission Her mind raced with conflicting thoughts yet she couldn't deny the electric thrill coursing through her veins Her bottom creamy and full like a ripe peach quivered under the man's possessive gaze He stroked her flesh once more their eyes meeting for an instant as her breath hitched her desire growing ever more insistent 12 women 12 stories exploring the boundaries of desire and sensuality From midnight cravings to forbidden pleasures Taboo explores the wild uninhibited side of female passion Colette cools her heat with melting ice Yumi's subway encounter leaves her breathless Laura's birthday turns into an unforgettable night with three eager admirers Simone and her lover dive into their kinkiest fantasies while Nikki finds daring delight in a public place And beyond them lie seven more stories each more daring more intimate and more electrifying than the last Every woman's journey is different but they all share one thing an

Unraveling Taboo: Love's Unexpected Pathways Dr. Anthony Mathews, 2024-08-16 In a world where sexuality love greed and money take on new meanings and death lurks around every corner a captivating story unfolds Father a sophisticated and wealthy 60 year old man and his 34 year old son both find themselves enamored with a stunning 27 year old single woman Initially she becomes the lover of the father a known adventurer with a penchant for beautiful young women However when she meets his son she falls deeply in love and marries him perhaps driven by financial motives The tycoon her ex lover and now father in law cannot and will not relinquish his love for her He insists on continuing their intimate relationship even resorting to pressure and ultimatums when she objects Despite the husband's suspicions it is the wife herself who reveals the shocking truth she has been regularly sleeping with his father both before and after their marriage A war erupts between the three as life teaches us to smile through the tears Who do you think will be the first to die Or is the human being simply a poor customer of life Life on earth is a journey filled with people we encounter in all seasons Some accompany us while others remain behind Those who stay with us will witness our happiness smiles sadness and ultimately our death In a world that is absurd full of wonders and where death is ever present life is riddled with disappointment We always need that breath of air to outlet our emotions to breathe heavily and calm ourselves down There is no such thing as one hundred percent security in this life there are always unforeseen events Living is an art and dying is an art as well **Solitary Pleasures**

Paula Bennett, Vernon Rosario, 2020-04-23 Solitary Pleasures is the first anthology to address masturbation exploring both the history and artistic representation of autoeroticism Masturbation today enjoys a highly equivocal and contradictory status among cultural discourses relating to sexuality On the one hand it is the subject of much popular treatment especially in sexual self help books advice columns and in pop culture for example Madonna's Like a Virgin performance a recent Roseanne episode and David Russell's movie Spanking the Monkey On the other hand masturbation is still a taboo subject for most people in everyday conversation Perhaps more surprising it has been largely dismissed by academics as a trivial humorous topic and the history of a delusion It was not until the eighteenth century that onanism was portrayed as a morbid act of epidemic proportions that produced pox hair loss blindness insanity impotence and a horrible Its prevention and treatment warranted diverse and often cruel measures surveillance diets drugs corsets electrical alarms urethral cauterization clitoridectomy and labial sewing This literature's apocalyptic warnings about the personal and social morbidity of pollution by the hand are largely unknown to most people today but the ghostly echoes of these admonitions still inform and preserve the present taboo of the subject Why did this apparently innocuous activity become so overpoweringly stigmatized Why was the eradication of masturbation one of the most important goals of 19th century public hygiene Why

even after the sexual revolution is masturbation still shrouded in shame
