Union With Christ In The New Testament:

Union with Christ in the New Testament Grant Macaskill, 2013-11-07 This book is a study of the union between God and those he has redeemed as it is represented in the New Testament In conversation with historical and systematic theology Grant Macaskill argues that the union between God and his people is consistently represented by the New Testament authors as covenantal with the participation of believers in the life of God specifically mediated by Jesus the covenant Messiah hence it involves union with Christ Christ's mediation of divine presence is grounded in the ontology of the Incarnation the real divinity and real humanity of his person and by the full divine personhood of the Holy Spirit who unites believers to him in faith His personal narrative of death and resurrection is understood in relation to the covenant by which God's dealings with humanity are ordered In their union with him believers are transformed both morally and noetically so that the union has an epistemic dimension strongly affirmed by the theological tradition but sometimes confused by scholars with Platonism This account is developed in close engagement with the New Testament texts read against Jewish backgrounds and allowed to inform one another as context As a participatory understanding of New Testament soteriology it is advanced in distinction to other participatory approaches that are here considered to be deficient particularly the so called apocalyptic approach that is popular in Pauline scholarship and those attempts to read New Testament soteriology in terms of theosis elements of which are nevertheless affirmed

Union with Christ Rankin Wilbourne, 2016-07-01 Winner of the 2017 Christian Book Award for New Author Named one of the top books of 2016 by John Piper's Desiring God ministry To experience why the gospel is good news and answer life's most foundational questions about identity destiny and purpose we must understand what it means to be united to Christ If you are a Christian the Bible says that Christ has united his life to yours that you are now in Christ and Christ is in you This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation Yet few Christians today experience or enjoy this reality Union with Christ reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart Who Am I Why Am I Here Where Am I Headed How Will I Get There Nothing is more practical for living the Christian life than union with Christ The recovery of this reality provides the anchor and engine for your life with God for your destiny is not only to see Christ but to actually become like him

Union with Christ in the New Testament Grant Macaskill, 2013-11 In conversation with historical and systematic theology Macaskill argues that the union between God and his people is consistently represented by the New Testament authors as covenantal with the participation of believers in the life of God specifically mediated by Jesus the covenant Messiah

Union with Christ Lewis B. Smedes, 1983 This is a print on demand book and is therefore non returnable How can a person who lived nearly two thousand years ago radically change a human life here now How can Jesus of Nazareth radically affect us as persons to the depths of our being How can he reach out over the great span of time that divides us from him and change us so profoundly that we become new creatures in him The answer according to the Apostle Paul lies in the fact that Jesus

Christ enters into union with us Lewis B Smedes believes that union with Christ is at once the center and circumference of authentic human existence Union with Christ is Smedes probing and sustained exegetical study of what Paul means when he speaks of our being in Christ and Christ being in us Hailed as a thoughtful discerning and thoroughly scriptural study when it was first published in 1970 under the title *All Things Made New* the book has been greatly streamlined in this edition By judiciously cutting away what now strikes him as scholarly clutter Smedes has produced a carefully condensed version of his earlier work while retaining its basic substance *Union with Christ in the New Testament* Grant Macaskill,2013 A study of the union between God and those he has redeemed as it is represented in the New Testament In conversation with historical and systematic theology Grant Macaskill argues that the union between God and his people is consistently represented by the New Testament authors as covenantal with the participation of believers in the life of God specifically mediated by Jesus the covenant Messiah hence it involves union with Christ ***Living in Union with Christ*** Grant Macaskill,2019-10-15
