Using Comic Art To Improve Speaking Reading And Writing:

Using Comic Art to Improve Speaking, Reading and Writing Steve Bowkett, 2012-07-26 Using Comic Art to Improve Speaking Reading and Writing uses children's interest in pictures comics and graphic novels as a way of developing their creative writing abilities reading skills and oracy The book's underpinning strategy is the use of comic art images as a visual analogue to help children generate organise and refine their ideas when writing and talking about text In reading comic books children are engaging with highly complex and structured narrative forms Whether they realise it or not their emergent visual literacy promotes thinking skills and develops wider metacognitive abilities Using Comic Art not only motivates children to read more widely but also enables them to enjoy a richer imagined world when reading comics text based stories and their own written work The book sets out a range of practical techniques and activities which focus on various aspects of narrative including using comic art as a visual organiser for planning writing openings and endings identifying with the reader using different genres and developing characters creating pace drama tension and anticipation includes Kapow techniques to kick start lessons an afterword on the learning value of comics The activities in Using Comic Art start from this baseline of confident and competent comic book readers and show how skills they already possess can be transferred to a range of writing tasks For instance the way the panels on a comic's page are arranged can serve as a template for organising paragraphs in a written story or a piece of non fiction writing The visual conventions of a graphic novel the shape of speech bubbles or the way the reader's attention is directed can inform children in the use of written dialogue and the inclusion of vivid and relevant details A creative and essential resource for every primary classroom Using Comic Art is ideal for primary and secondary school teachers and TAs as well as primary PGCE students and BEd BA Primary Undergraduates

Using Comic Art to Improve Speaking, Reading and Writing Stephen Bowkett, Tony Hitchman, 2012 In reading comic books children are engaging with highly complex and structured narrative forms Whether they realise it or not their emergent visual literacy promotes thinking skills and develops wider metacognitive abilities Using Comic Art not only motivates children to read more widely but also enables them to enjoy a richer imagined world when reading comics text based stories and their own written work The book sets out a range of practical techniques and activities which focus on various aspects of narrative including using comic art as a visual organiser for planning writing openings and endings identifying with the reader using different genres and developing characters creating pace drama tension and anticipation includes Kapow techniques to kick start lessons an afterword on the learning value of comics *Visualising Literacy and How to Teach It* Steve Bowkett, Tony Hitchman, 2021-09-30 Technological advances and the way young people interact with them means children are thinking and processing information in an increasingly visual manner Visualising Literacy and How to Teach It recognises that many if not most children are attracted to visual images and uses this as a basis for introducing and developing a range of thinking skills and strategies for learning This practical resource offers a selection

of visuals each accompanied by activities that give children practice in using their imaginations in different ways Visualising Literacy and How to Teach It not only explores creative and critical thinking skills but also pays close attention to the overarching thinking skill that we call imagination The book contains around 150 practical activities that develop children s imaginations focussing on a range of thinking skills including but not limited to the following developing observational attentional skills noticing details focussing of attention assimilating visual information increasing experience of inferential thinking speculation dealing with generalisations boosting vocabulary empowering one s attitude towards exploring ideas learning different questioning techniques increasing the ability to empathise becoming comfortable with uncertainty and ambiguity Many of the visualisation techniques can be applied to developing different aspects of emotional resourcefulness including empathy positive self image anchoring positive thoughts and modifying negative thoughts and feelings This is therefore an essential resource for any teacher or education professional who is keen on developing children s ability to think and express their own ideas

Developing Thinking Skills Through Creative Writing Steve Bowkett, Tony Hitchman, 2019-07-03 Developing Thinking Skills Through Creative Writing Story Steps for 9 12 Year Olds is a practical and easy to use teacher resource helping children across a wide age and ability range to develop the skills necessary to write more effectively Step by step instructions encourage children to tackle tasks of increasing difficulty while broadening their knowledge and experiences of fictional genres With chapters separated into distinct genres ghost story fantasy science fiction history pirate story thriller and Gothic horror this book Offers a summary at the start of each chapter to help teachers select the relevant activities Covers multiple aspects of storytelling from narrative structure plots characters and settings to vocabulary word choice sentence structure and punctuation Provides a cross referencing grid showing which aspects of writing appear in each chapter Includes guidance notes extension activities and general tips Adaptable to different teaching situations this book offers the opportunity for teachers to work through the book genre by genre or take a skills route with different activities from different chapters to create their own programme of study Fully illustrated and supporting the requirements of the National Curriculum Developing Thinking Skills Through Creative Writing is a valuable aid for all Key Stage 2 teachers
