Veneer Living Deeply In A Surface Society:

Veneer Timothy D. Willard, Jason Locy, 2011-05-24 The world has a love affair with itself Armed with Facebook Twitter and blogs we think of ourselves as mini celebrities and we use consumption and technology to convince our friends that this facade is who we are *Veneer* illustrates that consumption is more than just acquiring more stuff it is a potentially dangerous mindset a mindset turning everything even people into products According to authors Timothy Willard and R Jason Locy there is evidence of consumption in all channels of culture even the church Most Christian commentators suggest that the church should speak the language of the congregants Willard and Locy suggest the opposite approach if congregants are steeped in a culture of consumption the church should not speak their language at all *Veneer* encourages the church to become a refreshing voice amidst a veneered world inviting you to lead an unveneered life of freedom honesty and beauty Taking on an original concept that addresses the potential dangers of consumption and technology *Veneer* speaks to many Christians who are unsure how to live with true meaning among the ever changing trends and technology our culture offers

Mark

Abbott, 2013-09-25 In the Bible s introduction are embedded foundational perspectives on who God is and who humans are and what we should be doing that are developed throughout the book Genesis 1 3 is the story of beginnings depicting who the Creator God is what this God intended for the creation especially for the human creation how humans messed up and at least a hint of what God is doing about this Like Jesus the Apostle Paul and early church leaders when we want to know what God intended we listen to the Bible s introduction The Story of Beginnings deals with such questions as What is the Image of God Who were Adam and Eve What does blessing the Sabbath mean and How shall we understand the Fall and its implications today **Fire, Water, and Wind** Norbert Haukenfrers, 2016-05-09 Fire Water and Wind explores the forming

of a healthy sense of personal identity The impetus for Fire Water and Wind was the observation that people are searching for meaning and identity are dissatisfied with their current situations and many are actively seeking escape from their current life experiences This is evidenced by the number of people involved in high risk activities be it drug or alcohol abuse gambling prostitution multiple sex partners smoking or violent crimes But does it have to be this way Following the finding in the fields of psychology and neuroscience that narrative plays a key role within the context of identity formation Fire Water and Wind offers an understanding of identity formation that is grounded in the biblical narrative that enables and equips one to face the varied challenges of life Concluding that a narrative understanding of ones identity and ongoing formation as a follower of Jesus incorporates an integration of heart and mind body and soul that requires the nurturing of a biblical imagination and unconscious looking at the signs symbols and metaphors encouraging ones life wholly alive Enabling one to answer the What should I live for question
