Winter Of Our Discontent Quotes:

The Winter of Our Discontent John Steinbeck, 2008-08-26 The final novel of one of America's most beloved writers a tale of degeneration corruption and spiritual crisis A Penguin Classic In awarding John Steinbeck the 1962 Nobel Prize in Literature the Nobel committee stated that with *The Winter of Our Discontent* he had resumed his position as an independent expounder of the truth with an unbiased instinct for what is genuinely American Ethan Allen Hawley the protagonist of Steinbeck's last novel works as a clerk in a grocery store that his family once owned With Ethan no longer a member of Long Island's aristocratic class his wife is restless and his teenage children are hungry for the tantalizing material comforts he cannot provide Then one day in a moment of moral crisis Ethan decides to take a holiday from his own scrupulous standards Set in Steinbeck's contemporary 1960 America the novel explores the tenuous line between private and public honesty and today ranks alongside his most acclaimed works of penetrating insight into the American condition This Penguin Classics edition features an introduction and notes by leading Steinbeck scholar Susan Shillinglaw For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

From an Existential Vacuum to a Tragic Optimism Barbara A. Heavilin, Charles W. Heavilin, 2014-07-03 From an Existential Vacuum to a Tragic Optimism The Search for Meaning and the Presence of God in Modern Literature employs a new theoretical approach to critical analysis Victor Frankl's logotherapy from the Greek logos for word or reason and often related to divine wisdom a unique form of existentialism On the basis of his observations of the power of human endurance and transcendence the discovery of meaning even in the midst of harrowing circumstances Frankl diagnoses the malaise of the current age as an existential vacuum a sense of meaninglessness He suggests that a panacea for this malaise may be found in creativity love and moral choice even when faced with suffering or death He affirms that human beings may transcend this vacuum discover meaning or even ultimate meaning to be found in Ultimate Being or God and live with a sense of tragic optimism This book observes both the current age's existential vacuum a malaise of emptiness and meaninglessness and its longing for meaning and God as reflected in three genres poetry novel and fantasy Part I Reflections of God in the Poetic Vision addresses tragic optimism hope when there seems to be no reason for hope in poems by William Butler Yeats T S Eliot Samuel Taylor Coleridge and Gerard Manley Hopkins Part II American Angst Emptiness and Possibility in John Steinbeck's Major Novels presents a study of Steinbeck's *The Grapes of Wrath* *East of Eden* and *The Winter of Our Discontent* novels that together form a uniquely American epic trilogy Together these novels tell the story of a nation's avarice corruption and betrayal offset by magnanimity heroism and hospitality Set against the backdrop of

Frankl's ways of finding meaning and fulfillment all obliquely implying the felt presence of God the characters are representative Every Americans in whose lives are reflected a nation's worst vices and best hopes Part III A Tragic Optimism The Triumph of Good in the Fantasy Worlds of Tolkien Lewis and Rowling defines fantasy and science fiction as mirrors with which to view reality J R R Tolkien's The Lord of the Rings C S Lewis's That Hideous Strength and J K Rowling's Harry Potter series are considered in the light of Frankl's logotherapy providing paths to meaning and the ultimate meaning to be found in God In a postmodern fragmented age these works affirm a continuing vision of God often through His felt absence and also a most human yearning for meaning even when there seems to be none providing as Frankl maintains a tragic optimism

Bookfellow, 1913 Steinbeck's Typewriter Robert DeMott, 2012-10-17 Steinbeck's Typewriter Essays on His Art collects several of DeMott's finest essays on Steinbeck that are so carefully revised as to warn other critics seeking their own collected essay volume of the difference between a genuinely lapidary compilation and a kitchen midden Illustrated with some rare photos this collection is especially notable John Ditsky Choice Steinbeck's Typewriter stands as the most in depth treatment of Steinbeck's aesthetics particularly in its exploration of the author's interior spaces and creative habits elements of Steinbeck's artistry which have not only been underestimated but woefully ignored Stephen George Steinbeck Review

Shakespeare on screen, Richard III Nathalie Vienne-Guerrin, This volume does not only provide the reader with diverging assessments of the Richard III films but it also deploys a large array of methodologies used to study Shakespeare on film What gives the volume its coherence is that it thoroughly interrogates what those films do with and to Shakespeare's text and suggests that at least for Shakespearean scholars Shakespearean films are hybrid creatures They are and are not films they are and are not Shakespeare Ce volume offre non seulement au lecteur un examen précis et pluriel des adaptations filmiques de Richard III mais il déploie tout l éventail des méthodologies qui permettent d étudier Shakespeare à cran La cohérence de ce volume vient de ce qu'il propose des questionnements multiples sur ce que ces films font de Shakespeare et suggère que le film shakespearien est une créature hybride qui est et n'est pas un film qui est et n'est pas Shakespeare Ouvrage en anglais A Political Companion to John Steinbeck Cyrus Ernesto Zirakzadeh, Simon Stow, 2013-06-01 Though he was a recipient of both the Pulitzer Prize and the Nobel Prize for Literature American novelist John Steinbeck 1902-1968 has frequently been censored Even in the twenty first century nearly ninety years after his work first appeared in print Steinbeck's novels stories and plays still generate controversy his 1937 book Of Mice and Men was banned in some Mississippi schools in 2002 and as recently as 2009 he made the American Library Association's annual list of most frequently challenged authors A Political Companion to John Steinbeck examines the most contentious political aspects of the author's body of work from his early exploration of social justice and political authority during the Great Depression to his later positions regarding domestic and international threats to American policies Featuring contemporaneous and present day interpretations of his novels and essays by historians literary scholars and political theorists this book covers the spectrum of Steinbeck's writing

exploring everything from his place in American political culture to his seeming betrayal of his leftist principles in later years
