*The Sex Spiral* Dustin Daniels, 2018-01-08 Every Sunday in Bible believing churches across the world pews are filled with men and women who have been forgiven by the blood of Jesus Christ. However, millions of people walk away from the worship service confused as to why they are not experiencing the freedom that the Scriptures proclaim. There is a direct correlation between the confusion and apathy within our churches and the pandemic of pornography in our pews. Unfortunately, the statistics are too big to quote, and we don't believe them when we do. How is it possible that so many Christians are addicted to pornography? Isn't Jesus enough? Why are we still being tempted with lust? What's wrong? What's missing? *The Sex Spiral* Forgiven and Free From Pornography is a plan to experience not only the forgiveness of Jesus Christ but also the freedom He promises specifically from lust. *The Sex Spiral* will teach you God's design for sexuality, the triggers that lead to porn addiction, and most importantly, how to exit the Sex Spiral itself with a purity plan for your life.

*A Theology of Biblical Counseling* Heath Lambert, 2016-04-05 A landmark textbook for Christian counselors that unpacks the core theological convictions behind sound counseling and outlines practical wisdom for counseling today. Since the beginning of the biblical counseling movement in 1970, biblical counselors have argued that counseling is a ministry of the Word, just like preaching or missions. As a ministry, counseling must be defined according to sound biblical theology rather than secular principles of psychology. For over four decades, biblical theology has been at the core of the biblical counseling movement. Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling, and bad theology leads to bad counseling. *A Theology of Biblical Counseling* is an ideal resource for use in training biblical counselors at colleges, seminaries, and training institutes. In each chapter, doctrine comes to life in real ministry to real people, dramatically demonstrating how theology intersects with the lives of actual counselees.
