The Power of Truth in Perilous Times Marcus E. Drake, 2024-09-25. Real Hope in the Midst of a Culture Gone Awry. Yes, we live in this kind of culture and world. However, it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him, the more he will work in us and through us during the perilous times in which we live. Therefore, in thinking about the extraordinary impact biblical truth can have on our society, this book focuses on three vitally important areas in the Bible: how God reveals his existence through nature and his Word; how he discloses his character through his attributes and promises; and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image. Thus, the purpose of this book is to lead believers into a deeper understanding of what God is like, a deeper understanding of what he has promised to those who know him, and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and deteriorating culture. Rather than simply decrying the devastating changes in our nation and world, this book clearly proclaims the hope that is ours in the very nature and character of God himself: the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation. A God-centered, truth-loving, Christ-exalting approach to life changes everything.

50 YEARS OF COVENANT MARRIAGE: GOD WROTE OUR LOVE STORY, Our love story began when we started dating as teenagers in December 1960. We dated for nearly eight years before we got married as graduate students in August 1968. Fast forward fifty years, and we now have a great story to tell about how God moved our relationship and marriage from good to great, built to last a lifetime. It has been a very long and difficult journey, but the rewards of persistence and perseverance are heavenly. This book is about our views on marriage based on our experience and those of numerous people around us over all these years, from courtship to building a resilient and Christian-based relationship, raising a family, parenting, managing family, career, conflict, issues, building and managing family wealth, resolving conflicts, confronting and surmounting numerous challenges, dealing with external interference, and preparing for our last years. Our message to the younger couples behind us is that God can write your love story if you would let Him.
