Wisdom From God The Jesse Williams Saga:

Wisdom from God J. A. W., 2013-12 Jesse Williams has all the answers to all the questions but what happens when a life changing incident turns those answers to questions Despite the hand that life has dealt Jesse he always felt under control He was the one who decided his own fate After the incident Jesse is different his life is different and his ex wife Desiree has certainly noticed Can Jesse handle how he now sees things or will the old Jesse return We all battle something or someone We battle against people we battle for money and we even battle against nature But the most intense battle of all is when you battle against yourself See what battles Jesse s life changer will teach him in the uplifting novel **Wisdom from God The Jesse Williams Saga** [Living Beyond Nightfall](#) Troy Buckner, 2015-10-05 **Living Beyond Nightfall** Troy Buckner s real life journey to wholeness The world is about to read a true story filled with pain disappointment and one woman s emotional fight for her life and that of her four wonderful sons Buckner s story will take you to the very depths of despair and show you peace beyond understanding It will reveal how her belief in the betterment of her community and love for her culture left her struggling to survive through a felonious alleged embezzlement charge which left her determine to put the fragments of her life back together again Buckner s desire for penning this book is to ensure that the world never forgets the mayhem committed within our own communities by people who claimed their undying love for us Buckner is force to cling to the most powerful vestige of her childhood the wisdom she had been endowed with by her father and her southern community She was raised by a compassionate father who instilled greatness in her life by examples of his own broken struggles of growing up in the Deep South during slavery Someone once said home isn t just a place where you live it s a state of the heart However growing up in the Deep South meant so much more for Buckner Lake Providence may have held a very small place on the map but it held a bigger place in her heart and soul something that she have connected to her entire life Her community believed in hard work and integrity most of all having the courage not to give up not to quit She was encouraged by her community to pursue an education during a time when no one cared enough to see that black youths had a professional career On Buckner s fifteenth birthday her father arranged for her to fly to Las Vegas to visit her mom for the first time in eight years Later that same year her father roused with a vision to start a general contractors and plumbing business despite the fact that he couldn t read or write nor could he add or subtract Recognizing his limitations he never minimized the importance of education Her father instilled in her the value of education and that the mind was too valuable to waste by introducing her to the business world at an early age He inspired her to see that the greatest equalizer is indoctrinating one s mind with wisdom and knowledge recognizing that ignorance is the only bridge that separates us He taught her to set realistic goals and then work harder than anyone else to experience success as a result of her hard work He asked her to teach him how to read and write This moment she would cherish for a lifetime Buckner was elated to see her father signing his checks and reading his first book even though it was on a first grade level at the age of 50 Buckner had

kept a diary since she was eight years old and eventually acquired a passion for writing It provided a natural outlet to help her find that perfect peace in the things that she could not understand nor change She felt somehow God was preparing her for an unknown journey Buckner and her family went through five of the most implausible years of their life orphaned penniless and nearly homeless Buckner unwavering perseverance forced a victorious triumph in her matter of the heart that was swept up in the chaos of deception lies and cruel intentions For over five years the Institution and CPA Firm attempted to strip her of every shred of her dignity character and integrity In a climate of systematic abuse where ignorance is power and justification for wrongdoing Buckner fights for her improbable survival Buckner s story will give you hope and it will confirm the power of faith Her story will take you through many levels of brokenness gleaned from her journey will lift you up and help you not only survive but transcend suffering injustice and loss Displaying her extraordinary strength and endurance *Living Beyond Nightfall* is a brilliant display of individual resilience *Explaining Jesus* Benjamin

Bennett-Carpenter,2018-11-27 How exactly does one explain Jesus That is the central question of this book But the task of explaining Jesus is complicated For many nonbelievers skeptics or practitioners of non Jesus based religions or spiritualities it can be very strange to refer to a particular man who lived in the first century CE as someone who is still living Even for some believers this idea can be a difficult thing to understand even given the teachings of their faith Thus whether believer or nonbeliever or somewhere in between for the intellectually curious there is need for an explanation *Explaining Jesus* explores the possibilities of a secular interdisciplinary science based explanation for the phenomenon of Jesus **The**
