An Introduction to Israel's Wisdom Traditions John L. McLaughlin, 2018-05-22 It can be a challenge to understand the Hebrew Bible's wisdom literature and how it relates to biblical history and theology but John L McLaughlin makes this complicated genre straightforward and accessible This introductory level textbook begins by explaining the meaning of wisdom to the Israelites and surrounding cultures before moving into the conventions of the genre and its poetic forms The heart of the book examines Proverbs Job Qoheleth Ecclesiastes and the deuterocanonical Ben Sira and Wisdom of Solomon McLaughlin also explores the influence of wisdom throughout the Old Testament and in the New Testament Designed especially for beginning students and based on twenty five years of teaching Israel's wisdom literature to university students McLaughlin's Introduction to Israel's Wisdom Traditions provides an informed panoramic view of wisdom literature's place in the biblical canon

Early Israelite Wisdom Stuart Weeks, 1999 That belief has played an important part not only in the interpretation of the texts but in reconstructions of Israelite society and history In this book Dr Weeks challenges this view arguing that it is largely founded on assumptions which are now widely discredited and he sets out to re evaluate the evidence in the light of more recent research

Was There a Wisdom Tradition Mark R. Sneed, 2015-09-07 Essential reading for scholars and students in wisdom studies This collection of essays explores questions that challenge the traditional notion of a wisdom tradition among the Israelite literati such as Is the wisdom literature a genre or mode of literature or do we need new terminology Who were the tradents Is there such a thing as a wisdom scribe and what would that look like Did the scribes who composed wisdom literature also have a hand in producing the other traditions such as the priestly prophetic and apocalyptic as well as other non sapiential works Were Israelite sages open to non sapiential forms of knowledge in their conceptualization of wisdom Features Recent genre theory in distinction from traditional form criticism Ancient Near Eastern

comparative material A balanced collection that includes essays that seriously challenge and affirm the consensus view as well as those that reconfigure it **The Social World of the Sages** Mark R. Sneed, 2015 Is there evidence for a distinct wisdom tradition in ancient Israel Mark R Sneed redefines the wisdom literature as a loosely cohering collection of books that educated scribal apprentices in moral instruction Sneed discusses the data for scribal culture and pedagogy in the ancient Near East suggesting that wisdom literature was meant to complement not to compete with other modes of literature in the Hebrew Bible The result is a surprising new picture of the authors and tradents of the wisdom literature
