Wisdom Of The Carpenter 365 Prayers And Meditations Of Jesus:

Wisdom of the Carpenter Ron Miller, 2011-08-15 Jesus preached a radical message of individual spiritual awakening Wisdom of the Carpenter presents those teachings with 365 prayers designed for the contemporary seeker Incorporating his own new translations of the earliest available texts comparative religion scholar Ron Miller brings Jesus voice and advice to life while added commentary relates Jesus teachings to those of the world's other great religious traditions Little known teachings of Jesus from the Gospel of Thomas the Book of Q and other lost sources are included A years worth of prayers

Wisdom of the Carpenter Ron Miller, 2003 These little known teachings of Jesus from the Gospel of Thomas the Book of Q and other lost sources offer a radical message of spiritual awakening **The Hidden Gospel of Matthew**, 2011-06-30 The previously untold story of Matthew's Gospel brought to life for today's readers Matthew's Gospel stands as the first book of the Christian Testament visible to all the world for almost two thousand years But there is something hidden in Matthew's Gospel The document was not written at one time by one person it is an edited document bringing together different sources of tradition The Hidden Gospel of Matthew Annotated and Explained takes readers deep into the text to find the words and events that have the strongest connection to the historical Jesus Ron Miller reveals the underlying story of Matthew to readers giving them a full appreciation of the book's message uncovering a portrait of Jesus that at times resembles the gnostic Christ and sage teacher of the Gospel of Thomas more than it does traditional Christianity *Healing the Jewish-Christian Rift* Laura Bernstein, Ron Miller, 2013-04-04 How did a Jewish teacher healer sage and mystic become the vehicle for so much hatred and harm directed against his own people Dialogue is demanding and difficult It is often painful It entails deep listening letting others define themselves and being willing to confront and transform deep rooted prejudices in ourselves It requires the courage to re envision absolutely everything we tend to cherish and protect and to relinquish our entrenched vainglorious ego attachments our inflated sense of I me and mine This challenge to grow beyond tribalism to approach others in a fair and reasonable way is an essential step in our human evolution from the Invitation to the Reader Judaism and Christianity have had a volatile relationship in their two thousand year history Anger rivalry insensitivity bloodshed and murder have marred the special connection these two Abrahamic faiths share In the last several decades scholars activists laypeople and clergy have attempted to expose and eliminate the struggles between Jews and Christians This collaborative effort brings together the voices of Christian scholar Ron Miller and Jewish scholar Laura Bernstein to further explore the roots of anti-Semitism in Christian faith and scripture In a probing interfaith dialogue Miller and Bernstein trace the Jewish-Christian schism to its very source in the first book of the New Testament the Gospel of Matthew Illuminating the often misunderstood context of Matthew's gospel a persecuted Christian minority writing some sixty years after Jesus's death this examination of a foundational Christian text discerns the ways in which the Jewishness of Jesus was forgotten and Jews and Judaism became Christianity's foil More important it takes a renewed look at Matthew with

contemporary retellings that present a new and better future of conciliation and compassion between the two faith traditions

Views from the Pew, Pulpit and Women Religious Ed Koncel, 2010-07 In his very personal account Ed Koncel a well read and thoughtful Catholic shares his recollections of the church past his frustrations with the church present and his hopes for Catholicism's more vibrant future Robert McClory author of *As It Was in the Beginning* Ed Koncel writes from the perspective of a faithful son of the Church faithful over the course of his long life He writes with both passion and compassion in regard to the people and the proceedings of the Second Vatican Council and the developments since the Council Obviously well read and actively involved in various groups working to make real the words and spirit of the documents of the Vatican II he speaks with the authority of knowledge and personal experience and integrity I believe he also speaks as one whose love of the Church motivates him to keep working for its coming to accept the full participation of all in the liturgical and governmental life of its people Mr Koncel strikes me as a man of hope an extraordinary virtue in our time Denise Wilkinson SP General Superior of the Sisters of Providence

The Gospel of Thomas Ron Miller, 2011-08-18 The Gospel of Thomas a book of sayings and wisdom of Jesus compiled as early or earlier than the New Testament gospels can transform your spiritual life There are many academic commentaries on the Gospel of Thomas but this book has a different aim It is meant to be a guidebook that is a translation of the sayings into daily practice The goal of such practice is to become Jesus's twin This does not of course mean becoming an olive skinned bearded Mediterranean peasant wearing sandals It is more about manifesting in our lives the same Christ consciousness revealed in the person we know as Jesus of Nazareth from the Introduction In the decades since its discovery the Gospel of Thomas has intrigued people of all faiths around the world Shedding new light on the origins of Christianity the Gospel of Thomas raises questions about whether the New Testament's version of Jesus's teachings is entirely accurate and complete In the Gospel of Thomas we see Jesus as a wisdom loving sage sharing aphorisms about the value of the present and each person's role in the creation of the Kingdom of God here on earth But these inspiring sayings can leave you wondering What next Now you can learn how to start applying Jesus's wisdom to your own life and in turn to the world around you This unique guidebook leads you through Thomas offering practices that help you translate Jesus's wisdom into a more fulfilling enriching daily life including Becoming a Spiritual Adult Sorting Out the Old and the New Being a Healing Presence Daring to Be a City on a Hill God's Reign Calls for Ready Hands Spirituality Is Not Skygazing And much more
