The Kingdom Within L E Madden, 2010-02-03 The Kingdom Within will change your life The book resulted from a spiritual transformation that occurred in 1989 After twenty years of practice and study a profound experience with higher reality suddenly manifested after a seven mile run near my home at that time in East Tennessee USA Suddenly my conscious

awareness expanded beyond my body to include all the surroundings of the country side I never spoke of the significance of this transformation at that time because I did not know how to put into words a spiritual realization that cant be adequately expressed in human terms It wasnt until 1995 that the full impact of the now present awakened eternal consciousness stabilized within my being It would have been very easy to just bath in the radiance of Gods image because His love is so fulfilling yet the pressure within increased to the point in 2002 that it was time to put into words the way to the inner kingdom of eternal life The book is for you It stills the chaos in your life by showing you how to live and what wonder of wonders was placed in all humans at the time of their birth If you are serious about the search for eternal life NOW and how to understand the ways of the world you need the message in this book The Kingdom Within is a book about L E Maddens spiritual transformation that occurred 1989 He spent twenty years previous to this event studying the major spiritual teachings of the world Why wait so many years to let others know The book tells the reason for the delay and its importance for a complex society With forty years of spiritual depth and wisdom presented to a spiritual seeker the steps to obtain an enlightened awarness in this lifetime is now possible Sitting in silence for several years contemplating the meaning of life the full measure of this revelation is now available for all to use L E Madden has worked in management and engineering capacities for industrial manufacturing firms since 1982 Balancing spirit and business he has successfully integrated the life changing spiritual transformation of 1989 into daily life He presently works for a Fortune 100 company as a senior process engineer Married since 1977 with two successful adult children he lives near Kansas City Missouri

Song of Being Mischa Hammarnejd,2023-08-28 What am I where do I come from and where am I going And what is really the point of it all What is really true behind all the make believe conditioning and the more than eight billion different opinions about what is true It there a true reality that is the same for all of us on this planet Tellus yes in the whole universe Surely these are familiar questions But how often have we not heard about spiritual experiences awakening overcoming the fear of death lasting happiness and joy heavenly peace and the like And how often have we not started to read or listen to someone who claims to know it all about these things and then just given up when we heard a lot of complex and inaccessible thought constructs new age nonsense mixed with mystical directions and exercises or sectarian drivel that excludes the ones outside I have been through all this and I even ended up in a sect like context once but I continued to search for something really true stripped down genuinely useful and practical in both festive ordinary and difficult times something that could truly point to lasting and reliable truth about reality myself and all of us to what we are and consist of and that it would hold true in all cultures ages circumstances and states which all constantly change Am I asking for too much My journey is not unique and neither is who or what I am The journey can be made by anyone It is so familiar close accessible and right in front of all our noses no much closer much more intimate than that Surely there are obstacles but are we really interested in the obstacles I am not The book is about my journey to what I thought and was told would be impossible to find or attain My searching has ended Not because I found something that I was looking for but because and here it became quiet for a long while Until this book was made
