Post-Millennial Indian Speculative Fiction in English E. Dawson Varughese, 2025-03-20 Exploring expressions of Indianness buried within and scattered across post millennial Indian speculative fiction in English this book asks questions around what it means to belong to an India of now and what it might mean to belong to multiple Indias of the near future With dystopia near future apocalyptic Indias and fantastical metropolises all imagined across this body of writing Post Millennial Indian Speculative Fiction in English traces economic social and political transformations in post 2000 New India across these various narratives Drawing on established notions of the speculative Dawson Varughese argues for a recognized post millennial canon of Indian speculative writing in English which moves beyond Western centric frames of reference centring instead on Indian sensibilities expressions of belonging to India and speculative Indian futures Organized around key tropes and characteristics of post millennial Indian speculative fiction in English to date urban infrastructures citizenship bodies and biotech future Indian histories and climate catastrophes it takes stock of a range of science fiction fantasy near future and dystopian novels and short stories and offers critical insights into the writings of Samit Basu Varun Thomas Mathew Gautam Bhatia Rimi B Chatterjee Prayaag Akbar and Anil Menon alongside many others Post millennial Indian Speculative Fiction in English examines shifting ideas of what it means to belong to India and conceptions of India as a nation and pulls these ideas together creating a workable framework of understanding for this nascent field as we move into the third decade of the millennium The Palgrave Encyclopedia of Urban Literary Studies Jeremy Tambling, 2022-10-29 This encyclopaedia will be an indispensable resource and recourse for all who are thinking about cities and the urban and the relation of cities to literature and to ways of writing about cities Covering a vast terrain this work will include entries on theorists individual writers individual cities countries cities in relation to the arts film and music urban space pre early and modern cities concepts and movements and definitions amongst others Written by an international team of contributors this will be the first resource of its kind to pull together such a comprehensive overview of the field The Gospel of Wealth in the American Novel (Routledge Revivals) Arun Mukherjee, 2015-08-11 Business and the businessman have had a fundamental place in American society since the inception of the nation This tenet the gospel of wealth is a central concern in the novels of Theodore Dreiser and his contemporaries First published in 1987 this study sets this group of writers in their historical context and shows how they elaborated the idea of wealth as an object of quasi religious quest What had previously been associated with disease and darkness avarice and dishonour now came to emblematised the virtues of thrift prudence and

diligence The underlying argument is that the dominant group of a society legitimises its power through the appropriation of the vocabulary of religion and the American business leaders were successful in doing this both in their own practice and through the more insidious medium of art A detailed analysis this reissue will be of particular value to students of American literature with an interest in the relationship between linguistic symbols and social order and historical attitudes towards wealth in literature

A Place Within M.G. Vassanji, 2009-03-18 A Globe and Mail Best Book The inimitable M G Vassanji turns his eye to India the homeland of his ancestors in this powerfully moving tale of family and country Part travelogue part history A Place Within is M G Vassanji's intelligent and beautifully written journey to explore where he belongs It would take many lifetimes it was said to me during my first visit to see all of India The desperation must have shown on my face to absorb and digest all I possibly could This was not something I had articulated or resolved and yet I recall an anxiety as I travelled the length and breadth of the country senses raw to every new experience that even in the distraction of a blink I might miss something profoundly significant I was not born in India nor were my parents that might explain much in my expectation of that visit Yet how many people go to the homeland of their grandparents with such a heartload of expectation and momentousness such a desire to find themselves in everything they see Is it only India that clings thus to those who've forsaken it is this why Indians in a foreign land seem always so desperate to seek each other out What was India to me

Dream of the Walled City Lisa Huang Fleischman, 2011-06-28 Marking the debut of a stunning new literary talent Lisa Huang Fleischman's extraordinary saga inspired by her grandmother's life as an early feminist political activist and friend of Mao Zedong is a masterpiece about one clever and resourceful woman growing up amidst the turmoil of twentieth century China Born in 1890 the privileged and sheltered daughter of a high ranking imperial official Jade Virtue spends her childhood enclosed by the towering walls of her family's sprawling mansion never glimpsing the desperate struggle of China's ancient society as the old ways are challenged and the twentieth century fast fearsome and tumultuous rushes in But when her father mysteriously dies young Jade Virtue is suddenly thrust into poverty and experiences firsthand a traditional culture falling apart under the onslaught of growing rebellion against the Emperor rapid social changes and the mounting aggression of Japan and the West Fleischman has rendered a richly textured panoramic vision of Chinese life in the perilous years between the end of the empire and the Communist triumph of 1949 charting Jade Virtue's arranged first marriage to the corrupt opium addict Wang Mang who harbors a terrible secret in his family's past her awakening independence and ambivalent politics her struggles with motherhood and her fascinating acquaintance with a gifted idealistic fiercely ambitious young man named Mao Zedong But the most important choices of her life are shaped by her conflicting loyalties her intense lifelong friendship with Jinyu a fiery woman revolutionary and to Guai a government official and sworn enemy of the Communists with whom she finally discovers true and redemptive love Exquisitely nuanced and lyrical yet marked with a driving power Dream of the Walled City is an enthralling novel of hard won personal independence set against the vivid backdrop of a

rapidly changing world From the final days of the last dynasty through the savage Japanese invasion during World War II to the formidable red dawn of the Communist triumph from the backward rural province of Hunan to exile on the tropical shores of Taiwan and from the binding chains of predetermined fate to the exhilarating liberation of a human spirit this is a remarkable odyssey you will never forget
