Collver, 2011 **Journey to Jesus** Kent Jorgen Burreson, Rhoda Grever Schuler, 2025-06-03 When many Christian congregations are asking How can we draw new members into our midst the authors reframe the question How can congregations make new disciples and deepen the faith of long time Christians Rediscovery of the early church catechumenate provides a means to form new disciples in today s culture Inspiring case studies of four congregations emphasize the contextual flexibility of adult faith formation Interviews with catechumenal leaders and participants in adult faith formation reveal how a catechumenate that is central to congregational life can energize and orient the people of God toward the mission of God Opening windows into congregational life especially at worship those who had journeyed through the adult faith formation process describe their experiences and the profound changes that took place in them Adult faith formation is a journey not a program of belonging believing and behaving that draws people into Christ s orbit for life As one participant said For the first time I understood what it meant to be a Christian Through the adult catechumenate she heard the voice of Christ calling her to new life and a rich baptismal identity Wesleyan Pneumatology, Pentecostal Mission, and the Missio Dei Jody B. Fleming, 2021-05-18 In Wesleyan Pneumatology Pentecostal Mission and the Missio Dei Jody B Fleming argues that missiology in a Wesleyan context has been heavily influenced by the Western worldview and needs renewal Spirituality is central to living in many non western cultures integrated with the physical world of everyday life Wesleyan traditions may need to renew and strengthen the

pneumatology found in their mission theory and praxis As the center of Christianity is shifting to the global south Pentecostal and charismatic expressions of the faith are becoming more prominent Without forfeiting their solid foundations what might the Wesleyan traditions learn from their theological cousins about engagement with the Holy Spirit How might pneumatology be renewed in order to address spiritual beliefs found in other cultures in both global and local settings Renewal also includes the indigenous voice as essential for understanding cultural dynamics and spirituality Contextualization is not new to missiology and so mission theory is explored from Latin American scholars as another point for renewal Partnerships in mission and the role of the Holy Spirit are highlighted in the of field work conducted in Venezuela In *Renewing the Spark* the author suggests that a fresh look at pneumatology will more effectively articulate the gospel in holistic and spirit centered non western cultures
