Wolf Solent Ebook:

Wolf Solent John Cowper Powys, 2025-11-06T02:58:00Z *Wolf Solent* is the first of four Wessex novels by John Cowper Powys based on a fictionalized southwest England in the pattern of Thomas Hardy. The titular character, after having a mental breakdown, loses his job and travels to the small town of Ramsyard to do literary work for a local squire. There he becomes involved with two women: Gerda, who is simple and in tune with nature, and Christie, who is more complex and intellectual. The novel is very introspective. We watch Wolf's inner thoughts as he tries to make sense of his secret mythology or life illusion based on his idea of an internal battle of good versus evil. As various buried secrets emerge, some involving his own family, Wolf tries to navigate his relationships and questions his own impulses, feeling that the survival of his life illusion is at stake. The novel was very well received on publication and is considered a literary masterpiece despite its curious lack of renown. Author Simon Heffer called *Wolf Solent* the finest novel by an Englishman in the 20th century. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Atlantis John Cowper Powys, 2011-12-15 Published in 1954, John Cowper Powys called this novel a long romance about Odysseus in his extreme old age, hoisting sail once more from Ithaca. As usual, there is a large cast of human characters, but Powys also gives life and speech to inanimates such as a stone pillar, a wooden club, and an olive shoot. The descent to the drowned world of Atlantis towards the end of the novel is memorably described; indeed, Powys himself called it the best part of the book. Many of Powys's themes, such as the benefits of matriarchy, the wickedness of priests, and the evils of modern science, which condones vivisection, are given full rein in this odd but compelling work.

Rodmoor John Cowper Powys, 2012-03-15 *Rodmoor* is unusual for a John Cowper Powys novel, set in East Anglia. Rodmoor itself being a coastal village, the protagonist Adrian Sorio is a typically Powys-like hero, highly strung with only precarious mental stability. He is in love with two women: Nance Herrick and the more unconventional Phillipa Renshaw. This was Powys's second novel, published in 1916. It deploys a rich and memorable cast of characters.

Wood and Stone John Cowper Powys, 2011-12-15 *Wood and Stone* was John Cowper Powys's first novel, published in 1915. It is no prentice work; however, the author was already in his forties. The novel is set in the area of south Somerset that John Cowper Powys grew up in. The village of Nevilton is based on Montacute, where his father was vicar for many years. When he wrote it, Powys was living in the USA, and it is perhaps this absence that accounts for the heightened vividness of the descriptive writing. Powys deploys a large and wonderfully delineated cast of characters. They are loosely divided between the well-constituted and the ill-constituted. Characteristically, Powys favours the latter.

Ducdame John Cowper Powys, 2011-12-15 *Ducdame* was John Cowper Powys's fourth novel, published in 1925. It is set in Dorset. The protagonist Rook Ashover, a wonderfully Powysian name, is an introverted young squire with a dilemma: to go on loving his mistress Netta Page or make a respectable marriage and produce an heir. Of his early novels, pre-*Wolf Solent*, this one is often considered to be the most carefully constructed and best organized. Like them all, it contains a gallery of rich, complex characters and glorious
