PARENT INFORMATION LETTER

Dear Parents, Students, Family Members, and Guardians,

I am pleased to welcome you to the 2018 - 2019 school year! I am looking forward to having your child as a student! Parents, family members, and guardians are the driving force in their student's life. I encourage you to show your interest by asking your 3rd grader about the school day and making sure assigned homework is completed and returned to school. It is important that you check their daily planner and sign it after going over their assignments with them each evening. Also, watch out for school-wide communication in your child's organization binder each day. Please refer to our classroom website and monthly newsletters for information about your child's education. Our website address is : <https://www.berkeleycountyschools.org/Domain/1787>. I will also post our classroom calendar, daily homework assignments, newsletter, photos, academic practice links, and more on ClassDojo. Therefore, in order to communicate more effectively please make sure you join ClassDojo with the Student Code provided. There will be a sign-up sheet at Meet the Teacher night, but feel free to email me your address earlier at cberg@k12.wv.us

As a new school year approaches, I would like to share some helpful hints that I think will make the start of the school year go smoothly.

- Please make sure your child comes to school prepared to learn. This means that they have received a good night's rest, have eaten a healthy breakfast (or will eat at school), have completed all of their homework the night before, and have all supplies for the day. I recommend getting your student into the habit of setting out their belongings the evening before school. By starting off the year doing this, you can build a habit of it at home. Your morning will be calm and organized, and your student will be ready to learn!
- Please send a water bottle that your child can keep at his or her desk for drinks. It gets very warm in our building during the summer months, so water bottles help!

The lunch menu is available on our school website, it is posted in our classroom, and on our class website.

***Lunch costs \$1.50. please make sure your child is prepared.**

Lunch Choice for the First Week of School:

Monday: Mini Corn Dogs

Tuesday: Salisbury Steak

Wednesday: Chicken Nuggets

Thursday: Chicken Soft Tacos

Friday: Cheese/Pepperoni French Bread Pizza

Adorno, 2014-10-17 My dears this is but a brief note to welcome you to the new world where you are now no longer all too far away from us So begins Adorno s letter to his parents in May 1939 welcoming them to Cuba where they had just arrived after fleeing from Nazi Germany at the last minute At the end of 1939 his parents moved again to Florida and then to New York where they lived from August 1940 until the end of their lives It is only with Adorno s move to California at the end of 1941 that his letters to his parents start arriving once more reporting on work and living conditions as well as on friends acquaintances and the Hollywood stars of his time One finds reports of his collaborations with Max Horkheimer Thomas Mann and Hanns Eisler alongside accounts of parties clowning around with Charlie Chaplin and ill fated love affairs But the letters also show his constant longing for Europe Adorno already began to think about his return as soon as the USA entered the war Adorno s letters to his parents surely the most open and direct letters he ever wrote not only afford the

reader a glimpse of the experiences that gave rise to the famous *Minima Moralia* but also show Adorno from a previously unknown very personal side They end with the first reports from the ravaged Frankfurt to his mother who remained in New York and from Amorbach Adorno's childhood paradise **Married to the Empire** Susanna Rabow-Edling, 2015-10-15 The Russian Empire's American holding Alaska was governed by men who fought to bring trade as well as civilization and enlightenment to the colony Many histories tell and retell that story but there's another side In 1829 the Russian America Company decreed that women would be central to their civilizing mission Any governor appointed after that date had to have a wife Rabow Edling's extraordinary scholarship including primary research in English Russian Swedish and German sets the context for that RAC decision and explores the lives of three governor's wives Elisabeth von Wrangell Margaretha Etholen and Anna Furuhjelm Each woman left behind writing that reveals both personal and cultural struggles and insights while working to fulfill the mission that brought them to Novo Archangel'sk Hearings, Dec. 18-19, 1939 United States.
