Wolves in Sheep's Clothing Larry Herneisey, 2020-01-28 And Jesus answered and said unto them take heed that no

man deceive you Matthew 24 4 Are Christians in today s churches being deceived If we were how would we know We often accept doctrines of today s popular teachers at face value without ever comparing their claims against the principles of Scripture Taking for granted that everything we are hearing taught is truthful and sound doctrine is to be very naive Jesus warns us in Matthew 7 15 Beware of false prophets which come to you in sheep s clothing but inwardly they are ravening wolves We live in an age of rapid change and much deception If the teaching of the church is going to remain sound the responsibility rests with us Wolves in Sheep s Clothing is a study guide a reference source and a thought provoking look at many of the teachings prevalent in today s Christian church The author exposes many of today s false teachings often with a bold stance The false teachers propagate their lies with boldness therefore at times it is necessary to stand against them with boldness After studying this work the reader will be empowered to sort through the misleading and deceptive doctrines of today and avoid the common traps set by most false teachers Hopefully by the end of the study the reader will have learned practical ways to determine for himself whether a teaching is truthful or in error At the very least this study will provoke the reader to deep spiritual thought and at the most it will set people free from the bonds of false teaching This study will benefit the fresh new believer and the seminary student as well as the seasoned Bible teacher This work is a must read for pastors teachers Bible study leaders and anyone who thirsts after truth **Beware of Wolves in Sheep's Clothing** Rose
