Women As Producers And Consumers Of Tourism In Developing Regions:

Women as Producers and Consumers of Tourism in Developing Regions Yorghos Apostolopoulos, Sevil F. Sönmez, Dallen J. Timothy, 2001-04-30 Tourism has become the world's largest industry according to the World Tourism Organization no surprise when one considers that it incorporates the world's oldest profession In some developing regions such as the Caribbean or the South Pacific tourism is the primary sector in which significant economic growth takes place In other regions including areas of Latin America Africa the Middle East and formerly communist eastern Europe tourism is just beginning to take off In all of these areas tourism's impact has been decidedly mixed Nowhere is this more visible than in the context of women's roles in tourism The contributors demonstrate the many ways in which gender determines the roles they play as both tourists and providers of tourism as product and service A valuable contribution to tourism studies women's studies and the literature of economic development The premises of this unique collection of research are that women's roles in tourism are gendered just as are their other roles in gendered societies that tourism affects women differently than it affects men and that women themselves are affected in different ways by tourism depending on such factors as race region and class leisured consumer vs working producer or guest vs host The contributors cover theoretical perspectives including those provided by feminists and economic development analysts women's roles in tourism in the mature industries of the Caribbean Southeast Asia and the South Pacific women's roles in the less developed tourist destinations of the Middle East Latin America Africa and eastern Europe and implications for the future of economic development policy and of gender relations in tourism

Tourism and Gender, 2007-01-01 While contemporary popular discourses dismiss gender and feminism as passe patriarchy and sexism continue to limit human possibilities around the globe This collection of studies seeks to advance feminist and gender tourism studies with its focus on embodiment

Tourism and Political Boundaries Dallen J. Timothy, 2002-09-11 In light of today's political transformations and processes of globalisation this book provides a systematic examination of the relationships between boundaries and tourism

Responsible Tourism David Leslie, 2012 Tourism is one of the world's biggest industries Responsible tourism is concerned with the effects of tourism on people ecology and communities and seeks to ameliorate these impacts by providing tourism which benefits host communities improves working conditions involves the local community promotes cultural heritage and benefits the environment This book discusses responsible tourism as a whole including the politics policy and planning behind it and the major subject sub topics such as poverty reduction the environment transport governance wildlife tours and heritage It is

Current Issues in Asian Tourism Chris Cooper, C. Michael Hall, 2020-06-09 This comprehensive volume was put together in response to the growing amount of research on tourism in Asia and an increasing number of authors from Asian countries It concentrates on two aspects of Asian Tourism first the Asian tourists themselves and second economic development and tourism in the Asian region The first part of the collection focuses on three areas the motivations of different types of Asian tourist the

characteristics and behaviour of particular Asian tourist segments and finally an analysis of specific research issues The second part of the book then goes on to explore the governance and organisation of tourism in the Asian region and the nature of Asian growth and competitiveness as it relates to tourism The articles in this book were originally published in the journal *Current Issues in Tourism*

New Sociologies of Sex Work Kate Hardy, Sarah Kingston, 2016-05-06 Sex work studies have seen an expansion in publications over the past decade drawing together disciplines from across the social sciences namely sociology criminology and social policy There has however been a tendency for research and writing to focus on the more obvious aspect of the sex industry the visible elements of female street prostitution and those features which attract media attention such as the criminalised aspects of the sex trade The sex industry is diverse in terms of its organisation presentation participants and how it is located in the broader context of globalisation and regulation there is a need for publications which demonstrate this breadth This book makes an outstanding contribution to the sociology of sex work through advancing theoretical policy methodological and empirical ideas as each chapter pushes the boundaries of a specific area by offering new and critical research as well as commentary

Mountaineering Tourism Ghazali Musa, James Higham, Anna Thompson- Carr, 2015-06-05 In May 1993 the British Mountaineering Council met to discuss the future of high altitude tourism Of concern to attendees were reports of queues on Everest and reference was made to mountaineer Peter Boardman calling Everest an amphitheater of the ego Issues raised included environmental and social responsibility and regulations to minimize impacts In the years that have followed there has been a surge of interest in climbing Everest with one day in 2012 seeing 234 climbers reach the summit Participation in mountaineering tourism has surely escalated beyond the imagination of those who attended the meeting 20 years ago This book provides a critical and comprehensive analysis of all pertinent aspects and issues related to the development and the management of the growth area of mountaineering tourism By doing so it explores the meaning of adventure and special reference to mountain based adventure the delivering of adventure experience and adventure learning and education It further introduces examples of settings alpine environments where a general management framework could be applied as a baseline approach in mountaineering tourism development Along with this general management framework the book draws evidence from case studies derived from various mountaineering tourism development contexts worldwide to highlight the diversity and uniqueness of management approaches policies and practices Written by leading academics from a range of disciplinary backgrounds this insightful book will provide students researchers and academics with a better understanding of the unique aspects of tourism management and development of this growing form of adventure tourism across the world

A Research Agenda for Gender and Tourism Erica Wilson, Donna Chambers, 2023-01-20 Original and thought provoking this Research Agenda investigates the many ways in which tourism is gendered It outlines current thought and directions for future research looking forward by imagining and challenging the ways that gender will continue to intersect with and impact on tourism as well as looking back

to trace the key developments and contributions in gendered thinking Managing Tourism and Hospitality Sectors for Sustainable Global Transformation Kumar, Pankaj, Gupta, S.K., Korstanje, Maximiliano E., Rout, Prakash

Chandra, Madhurima, 2024-05-06 The tourism and hospitality sectors face significant challenges in balancing economic growth with environmental preservation and socio cultural integrity The rapid growth of global travel exacerbated by phenomena like revenge travel following the pandemic has highlighted the urgent need for sustainable practices However implementing such practices is often needed due to comprehensive guidance and understanding of effective strategies Managing Tourism and Hospitality Sectors for Sustainable Global Transformation offers a holistic approach to addressing these challenges It thoroughly examines current issues and trends offering actionable solutions grounded in research and best practices By exploring the integration of AI technologies the book presents innovative ways to enhance sustainability in tourism from mitigating adverse impacts to promoting positive outcomes Tourism in Iran Siamak Seyfi, C. Michael Hall, 2018-10-11 Iran has long been regarded as an international pariah state in some parts of the international community However its negative image in many countries disguises its history of tourism and rich cultural and natural heritage Following the July 2015 nuclear deal and the reduction in sanctions Iran is focusing on international tourism as a means to generate economic growth in addition to its substantial domestic tourism market Given the significance of tourism in the Middle East and in international politics as well as restrictions on international mobility this volume brings together the first contemporary collection of research on tourism in Iran Written by experts based both within and outside of Iran the chapters engage with a number of crucial issues including the importance of religion the role of women in society sustaining Iran's cultural heritage Iran's image and the resistive economy to provide a benchmark assessment of tourism and its potential future in a troubled political environment The book will undoubtedly be of interest not only to those readers who focus specifically on Iran but also those who seek a wider understanding of Iran's role in the region and how tourism is utilised as part of national and regional economic development policies

Women As Producers And Consumers Of Tourism In Developing Regions: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Women As Producers And Consumers Of Tourism In Developing Regions : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Women As Producers And Consumers Of Tourism In Developing Regions : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
