The Ten Thousand A Novel Of Ancient Greece:

The Ten Thousand Michael Curtis Ford,2001-07-13 In the spring of 400 B C ten thousand battered Greek soldiers stagger out of the frozen mountains of Armenia into a small Hellenic trading post on the eastern Black Sea Their stunning tale of survival is the source of this epic debut in the tradition of *Gates of Fire* *Book Lust* Nancy Pearl,2009-09-29 What to read next is every book lover s greatest dilemma Nancy Pearl comes to the rescue with this wide ranging and fun guide to the best reading new and old Pearl who inspired legions of litterateurs with *What If All name the city Read the Same Book* has devised reading lists that cater to every mood occasion and personality These annotated lists cover such topics as mother daughter relationships science for nonscientists mysteries of all stripes African American fiction from a female point of view must reads for kids books on bicycling chick lit and many more Pearl s enthusiasm and taste shine throughout *The Broken Kings* Robert Holdstock,2007-05-15 The sequel to the acclaimed trilogy that joins the myths and legends of ancient Britain and ancient Greece *A Catalogue of Books, Belonging to the Lower Hall of the Central Department in the Classes of History, Biography and Travel, Etc. 2. ... Ed* BOSTON, Massachusetts. Public Library,Justin Winsor,1873 **A Catalogue of Books Belonging to the Lower Hall of the Central Department** Boston Public Library,1873 **A Catalog of Books Belonging to the Lower Hall of the Central Department, in the Classes of History, Biography, and Travel** Boston Public Library,1873 *A Catalogue of Books Belonging to the Lower Hall of the Central Department in the Classes of History, Biography, and Travel, Including the Histories of Literature, Art, Sects, Etc., Politics, Geography, Voyages, Sketches, and Manners and Customs, Together with Notes for Readers Under Subject-references* Boston Public Library,Justin Winsor,1873 *"A" Catalogue of Books* Justin Winsor,1873 *Forthcoming Books* Rose Army,2001-06 *Catalogue of the Public Library of Haverhill* Haverhill Public Library,1878 **Travel Literature and the Evolution of the Novel** Percy G. Adams,2014-07-15 Although much has been written about how the novel relates to the epic the drama or autobiography no one has clearly analyzed the complex connections between prose fiction as it evolved before 1800 and the literature of travel which by that date had a long and colorful history Percy Adams skilfully portrays the emergence of the novel in the fiction of the seventeenth and eighteenth centuries and traces in rich detail the history of travel literature from its beginnings to the time of James Cook contemporary of Richardson and Fielding And since the recit de voyage and the novel were then so international he deals throughout with all the literatures of Western Europe one of the book s chief themes being the close literary ties among European nations Equally important in the present study is its demonstration that just as early travel accounts were often a combination of reporting and fabrication so prose fiction is not a dichotomy to be divided into the adult novel on the one hand and the childish romance on the other but an ambivalence the marriage of realism and romanticism *Travel Literature and the Evolution of the Novel* not only shows the novel to be amorphous and changing it also proves impossible the task of defining the recit de voyage with its thousand forms and faces Often the two types of literature are

almost indistinguishable even before Don Quixote Adams writes many travel accounts could have been advertised as having the endless fascination of a wonderfully observed novel This study by Percy Adams will both modify opinions about the novel and its history and provide an excellent introduction to the travel account a form of literature too little known to students of belles lettres *Library Journal* ,2001 **Library of the World's Best Literature, Ancient and Modern** Charles Dudley Warner,Hamilton Wright Mabie,Lucia Isabella Gilbert Runkle,George Henry Warner,1902 Catalogue of the lending library St. Helens publ. libr,1896 **Catalogue of the Books in the Central Lending Department** Public Libraries (Newcastle-upon-Tyne),1880 **Situating Josephus' Life within Ancient Autobiography** Davina Grojnowski,2023-06-15 Davina Grojnowski examines *Life* the autobiographical text written by ancient Jewish historian Flavius Josephus from a literary studies perspective and in relation to genre theory In order to generate a framework of literary practices Josephus *Life* and other texts within Josephus literary spheres all associated with autobiography are the focus of a detailed literary analysis which compares the texts in terms of established features such as structure topoi and subject This methodological examination enables a better understanding of the literary boundaries of autobiography in antiquity and illustrates Josephus thought process during the composition of *Life* Grojnowski also offers a comparative study of autobiographical practices in Greek and Roman literature demonstrating the value of passive education supplementing what had been taught actively and its impact on authors and audiences As a result she provides insight into the development of literary practices in reaction to various forms of education and subsequently reflects on the religious self views of authors and audiences Simultaneously Grojnowski reacts to current discourses on ancient literary genres and demonstrates that ancient autobiography existed as a teachable literary genre in classical literature **General Catalogue** Belfast Free Library (Belfast, Me.),1896 **Pennsylvania School Journal** ,1889 Modern Greek Studies Yearbook ,2001 **The Bookseller** ,1917
