The Passover Haggadah Vanessa L. Ochs, 2020-03-17 This telling of the life of the Haggadah probably the most beloved of books that Jews own chronicles its recalibrations over time It moves from its early sources in the Bible and rabbinic literature to the years it was a handwritten manuscript to its life as an illuminated book in the middle ages to its emergence as mass produced printed book and later as an artist's book to its iterations in the twentieth century in America and Israel including those using emerging technologies of our day It is the story of a liturgical text came about to fulfill a biblical injunction to fathers to tell the story of the Exodus from Egypt to their children literally to their sons And you shall tell your son on that day It is because of what the Lord did for me when I went free from Egypt Exodus 13:8 Despite significant flaws in the text that have occasioned thousands of revisions it remains well and alive because it allows its users to transmit the story of Exodus as if it happened to them With a Haggadah in hand at a Passover seder meal the text kindles the memory of belonging to a people who knew slavery and then liberation and enlivens empathy An engagement with the Haggadah inevitable leaves one feeling responsible for helping others to achieve their own liberation

Dreams of Re-Creation in Jamaica Diana Cooper-Clark, 2017-07-06 Diana Cooper Clark has written a book that uncovers a hidden history in the Holocaust narrative The stories of seventeen Holocaust survivors who escaped to Jamaica and who are among the last eyewitnesses to the Shoah are inspiring As well she reveals the involvement of Jamaican Jews with the refugees and the Holocaust and the virtually unknown story of the killing of Caribbean Jews in Nazi concentration camps In addition *Dreams of Re-Creation in Jamaica* has dozens of never before published photographs shared by the Jewish refugees This book also sheds light on the Sephardim and their marginalization in the history of Hitler's extermination policies These compelling tales bring together World War II Jewish refugees and Jamaican Jews stories that have previously slipped through the cracks of history As a child of six years old in Jamaica Cooper Clark read a book about the Nazi Karl Eichmann thus changing her life She swore to spend the rest of her life bearing witness to the Holocaust For everyone inspired by survival stories and the triumph of life over death for both individuals and communities this book is a must read
