The Third Testament Book I:

The Third Testament-Spirit of Truth T. R. Ross,2007-12-02 Did I not promise that all knowledge would be restored to its original truth Christ s prophecy has been fulfilled The following words have become absolute reality I have yet many things to say unto you but ye cannot bear them now Howbeit when he the Spirit of truth is come he will guide you into all truth John 16 12 13 This book of my teachings has been formed from the lessons of love and charity and dictated to you through human understanding Since ancient times I have entrusted to you my teachings through my envoys my emissaries my interpreters and you have used it to create myths and traditions But you will not fulfill your purpose unless you meditate and study this lesson with respect and love Truly I say to you that he who meditates and analyzes the teachings of my Book with a true desire to elevate his knowledge will acquire the light for his spirit and he will feel Me nearer to him **The Third Testament** Judith E. Medeiros,2011-01-07 The birth of this book The Third Testament is based on a discovery in times of tragedy pain suffering lamentation and derision of lost hope on a tropical island of beauty Hawaii A place of many ancient historical tales it gave light to a true story of a divine intervention when death invasions threatened her salvation since childhood This shocking and spellbinding battle of attacks by unparalleled phenomenon of demonic forces reveals a translucent phantom of deceivers in the atmosphere of our world unfounded by many in humanity yet spoken of in biblical times by Jesus Christ *The Third Testament Part I* Daniel McTaggart,2016-11-11 After several years of biblical study I concluded that the truth the Word of God was essential and that no other religion is with that mode After a tentative beginning in 1987 it is a ready for the world mature religion now The religion is mercifully short borrowing key components from the Old and New Testaments It presents what I consider the best of Jesus but I am fully aware that much more could have been included in the category of best Short of breaking down all of Jesus sayings I opted for what I considered the most important for daily life Im sure some readers will find glaring omissions The Sermon on the Mount speaks of being blessed as most Bibles state I prefer being happy or having happiness as substituted in The Jerusalem Bible When I speak of being happy what comes to mind are components that did not exist during the time Jesus lived many genres of music and the wide availability of marijuana Jesus said to visit the sick and the imprisoned I hope to make this life better by even allowing alcohol and several for those incarcerated I am an optimist see Ecclesiastes 3 18 Jesus never charged a penny for teaching The God of Daniel is God the Father 1 Jesus 2 Beatitudes 3 marijuana and 4 time and a season to every purpose under the heaven **An Introduction to The Third Testament** Rolf Elving,2016-11-22 An extraordinary event has happened in our time The Old and New Testaments of The Bible have been expanded with a Third Testament With this Third Testament Christianity s message of love becomes firmly backed up with scientific fact an important aspect that has been missing until now In this introduction Rolf Elving presents The Third Testament s cosmic view of life and world picture In addition he demonstrates the connections between The Old New and Third Testaments Rolf Elving 1947 was a personal friend and pupil

of Martinus the author of The Third Testament Elving was responsible for the program of education at the Martinus Institute in Copenhagen from 1983 1986 and was a member of the Institute s council from 1979 1986 He is active as a lecturer and study group leader To reduce printing costs this version is with black and white symbols To purchase the color version please choose ISBN 9781070975375 The Third Testament John Eklund,2010-05-20 Widower Fred Sankt is a professor at a small Catholic college who is not at all accustomed to dreaming When he begins experiencing a series of profoundly vivid dreams that consistently awaken him at 3 00 a m he is not alarmed simply curious In the last of his dreams Fred meets a faceless old friend who informs him that he has been chosen by God to record the next testament of the Bible Fred decides that even though it has been nearly two thousand years since the last passage in the Bible was written if it is Gods will for him to take on a project of this magnitude he has no choice but to accept But his entire world is turned upside down when his doorbell rings unexpectedly one evening After he is served a summons Fred thinks things cant get worse until he receives the news that his daughter Ellens health is in jeopardy Despite his personal hardships Fred soon finds that writing is his only solace As Fred continues on a spiritual journey to unlock the truth he creates a treasure for all Christians that ultimately reignites the torch of the faithful **The Third Testament** Gurman,2020-05-28 Whether so inclined or not inherent in our foundational belief system are deep seated religious overtones which shapes our societal culture This culture lays the framework for our values and all that we believe Not only does our beliefs and values shapes our attitudes and guides our behavior but it also influences our biology as well as our emotive and spiritual states not withstanding it determines the collective consciousness of a society Most of these concepts and beliefs that we have accepted and which govern our lives have been handed down to us unconsciously from generation to generation without question minus any objective reasoning This is primarily so for fear of consequences consequences which for the most part are unfounded The Third Testament is designed to activate thought process to initiate questions in the mind of the reader so as to deliberate on what you have been taught to accept for generations We ask questions but seek answers that can only be assimilated within our present schema hence facts don t determine what we believe it is what we believe which determine what we accept as fact The Third Testament presents information ideas and concepts that forces us to challenge our beliefs and what we have been conditioned to accept for years It forces us to think and it s contents cannot be disregarded by any true diligent seeker *Livets Bog, vol. 1, The Third Testament* Martinus,1986 **The Third Testament of Joseph Smith Jr.** Conrad Maxwell,2022-12-28 I have a firm testimony of the prophet Joseph Smith Jr and this is due to reading the Book of Mormon and receiving answers to prayers that the Book of Mormon is an inspired volume of holy scripture In addition the revelations in the Doctrine and Covenants and Pearl of Great Price through study prayer and applying the teachings in my life have borne witness to my soul and mind of the divinity of Joseph Smith Jr as a true prophet of God In this book I will cover the additional revelations contained in Joseph Smith s New Translation of the Bible 1970 Herald Publishing House Sections of this translation were added to the

LDS scriptures in 2013 called Selections From the Joseph Smith Translation of the Bible or JST The JST is another testament of the divinity of the calling of prophet Joseph Smith Jr The entire JST can be purchased at bookstores and is a powerful testament of modern revelation to a living prophet in our time The 1st testament of Joseph Smith Jr is the Book of Mormon This book was translated from golden plates provided by an angel of God It validates Joseph s story that he saw God the Father and His Son Jesus Christ and Angels from God The golden plates were shown and handled by eight witnesses and three additional witnesses saw the plates shown to them by an angel of God His account confirms that the heavens are open to man as in times of the olden day prophets The 2nd testament of Joseph Smith Jr is the Doctrine and Covenants and the Pearl of Great Price These volumes of revelations translated scripture and inspired declarations were received by modern day prophets Many of the sections had more than one witness detailed in their introductions and were accepted as scripture by consent of the entire church The Pearl of Great Price contains a portion the Old Testament and Matthew Chapter 24 that are part of the JST The 3rd testament of Joseph Smith Jr is the JST itself which he began in 1830 and finished in 1833 This volume is more like some of the sections of the Doctrine and Covenants and is not a translation but direct revelation from God to Joseph Smith Jr The theme of this volume is more than obedience to a commandment from God but to expose changes made to the King James Bible KJV the most common Bible used These changes made in the Bible caused stumbling blocks and obscured the true doctrines from mankind These stumbling blocks are like an ideological plague to our modern Christian society and can cause misdirection for many people My goal is to highlight some key doctrines that show how Joseph Smith Jr was able to restore many truths once found in the original Bible I hope you will feel as I do that this makes the JST the 3rd testament of the divinity of the calling of Prophet Joseph Smith Jr
