Jacket **Gendered Magic** Anna Köhler, 2025-10-20 At the surface fantastic storyworlds appear free of the constraints of reality yet for all their limitless potential most popular fantasy texts still cling to patriarchal representations of gender Drawing on the cognitive framework of Cultural Models Theory CMT this book examines the reasons behind this phenomenon by analyzing the intersection between gender and magic in four contemporary fantasy series J K Rowling s Harry Potter Terry Pratchett s Discworld novels Robin Hobb s Farseer trilogy and Jonathan Stroud s Bartimaeus trilogy Magic as a core manifestation of the impossible that sets fantasy apart from other genres serves as the focal point for an exploration of the strategies by which fantasy engages with gender issues on its own terms Showcasing the potential of CMT as a tool for literary analysis and more specifically as a framework through which to understand both gender and genre this book provides new insights into how readers make sense of fantastic storyworlds and the anchoring role that gender models

play in that process Overall this analysis demonstrates how CMT can improve our understanding of the interplay of author reader text and cultural context and the significant role of human cognition therein Los Angeles Magazine ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian The Rough Guide to First-Time Around the World Rough Guides,2016-02-02 Planning a trip around the world The Rough Guide to First Time Around the World is loaded with the very latest travel information from visas and insurance to vaccinations and round the world tickets This guidebook will help you design the best possible trip with tips on using your phone abroad and guidance on which websites apps and travel agencies to use to get the best deals and advice You ll find insightful information on what to pack and which festivals not to miss how to stay safe and perhaps most important how to get under the skin of a place and meet the locals in a natural way In addition to an inspirational full color Things Not to Miss section The Rough Guide to First Time Around the World includes regional profiles and maps to help you plan your route and plenty of practical advice to help you save money This guide has everything you need to make your trip as enriching and memorable as it should be Make the most of your time with The Rough Guide to First Time Around the World Series Overview For more than thirty years adventurous travelers have turned to Rough Guides for up to date and intuitive information from expert authors With opinionated and lively writing honest reviews and a strong cultural background Rough Guides travel books bring more than 200 destinations to life Visit RoughGuides.com to learn more **An Essential Guide to World Travel** Mickey Ryan,2014-02-25 Follow your dreams and travel the world This book is designed to give you the confidence knowledge and inspiration to help your future in travel take flight Designed around traveling safely efficient cheap and exotic this essential guide teaches everything from optimum gear list options to last minute reminders before your trip This book addresses many issues that aren t discussed in other books from unwritten rules and travel partners to distinguishing friend from foe abroad This book will give you the inspiration to fulfill your dream of traveling and experiencing the exotic mysteries this vast world has to offer It s time to see the world **Make the Most of Your Time on Earth** ,2012 **How to Drop Everything and Travel Around the World - How to Do It, Where to Go and Why It's Cheaper Than You Think** Dagny Taggart,2014-08-20 It s Time to Drop Everything And Travel Around The World Are You Ready For An Adventure LIMITED TIME OFFER 40% OFF Regular Price 9.99 Is there any better feeling in the whole world than to feel the fresh air of a new city on your face I doubt there is You know I absolutely love to travel It s my lifetime hobby my passion and ultimately it s what keeps me sane Truth is throughout my life I ve always felt this way but it has always been tough to incorporate this wild desire to travel around the world into my daily lifestyle
