The Tower Of London A 2000 Year History Landmarks In History

Kristen Deiter

The Tower Of London A 2000 Year History Landmarks In History:

The Tower of London in English Renaissance Drama Kristen Deiter, 2011-02-23 The Tower of London in English Renaissance Drama historicizes the Tower of London's evolving meanings in English culture alongside its representations in twenty four English history plays 1579 c 1634 by William Shakespeare Christopher Marlowe and others While Elizabeth I James I and Charles I fashioned the Tower as a showplace of royal authority magnificence and entertainment many playwrights of the time revealed the Tower's instability as a royal symbol and represented it instead as an emblem of opposition to the crown and as a bodily and spiritual icon of non royal English identity

The Tower of London Geoffrey Parnell, 2000-05-25 The Tower of London is one of the most famous and well visited landmarks in the world with a fascinating history brought to life in a uniquely visual way for the first time through this stunning book 14 specially commissioned paintings by the renowned historical reconstruction artist Ivan Lapper show the Tower from its earliest pre Roman days right up to the start of this new millennium A fascinating and engaging narrative by the official Keeper of Tower History Geoffrey Parnell brings the sights sounds events and characters of the past to life

Haunted Spaces, Sacred Places Brian Haughton, 2008-06-17 The author of Hidden History explores the archaeology legends and strange sightings at 32 ancient sites around the world from Stonehenge to Angkor Wat In Haunted Spaces Sacred Places historian Brian Haughton takes readers on a revealing tour of ancient landmarks that are rich in mystery and unexplained phenomena Organized by region this book takes readers from the mysterious megaliths of Britain and Ireland to the haunted tombs of the Etruscans the Pagan origins of Germany's Aachen Cathedral the ancient Native American city of Cahokia the enigmatic Cambodian Temple of Angkor Wat and the sacred Aboriginal rock formation of Uluru In Haunted Spaces Sacred Places you will discover The history of ancient sites such as Stonehenge Chartres Cathedral Delphi Cuzco and the Ohio Serpent Mound The relationship between ancient Native American sites and unexpected phenomena in Colorado's San Luis Valley The truth behind the legends of the mausoleum of the First Qin Emperor in China home of the Terracotta Warriors The prevalence of modern encounters with ghosts UFOs spook lights Bigfoot and phantom dogs at ancient sacred places With more than 25 photographs and illustrations this is the ideal reference work for those interested in the connections between ancient places folklore and unexplained phenomena

Richard III: The Maligned King Annette Carson, 2017-04-13 Richard III King of England from 1483 to 1485 made good laws that still protect ordinary people today Yet history concentrates on the fictional hunchback as depicted by Shakespeare the wicked uncle who stole the throne and killed his nephews in the Tower of London Voices have protested during the intervening years some of them eminent and scholarly urging a more reasoned view to replace the traditional black portrait But historians whether as authors or presenters of popular TV history still trot out the old pronouncements about ruthless ambition usurpation and murder After centuries of misinformation the truth about Richard III has been overdue a fair hearing Annette Carson seeks to redress the balance by examining the events of his reign

as they actually happened based on reports in the original sources She traces the actions and activities of the principal characters investigating facts and timelines revealed in documentary evidence She also dares to investigate areas where historians fear to tread and raises some controversial questions In 2012 Carson was a member of Philippa Langley's Looking For Richard Project which provided important new answers from the DNA confirmed discovery of the king's remains Her involvement in Langley's Missing Princes Project with its international research initiative on the princes in the Tower has now informed her revelatory extra chapter

Medieval Military Technology, Second Edition Kelly Robert DeVries, Robert Douglas Smith, 2012-05-01 First published in 1992 Medieval Military Technology has become the definitive book in its field garnering much praise and a large readership This thorough update of a classic book regarded as both an excellent overview and an important piece of scholarship includes fully revised content new sections on the use of horses handguns incendiary weapons and siege engines and eighteen new illustrations The four key organizing sections of the book still remain arms and armor artillery fortifications and warships Throughout the authors connect these technologies to broader themes and developments in medieval society as well as to current scholarly and curatorial controversies

Medieval Military Technology Kelly Robert DeVries, Kelly DeVries, Robert Douglas Smith, 2012-01-01 This thorough update of a classic book includes fully revised content new sections on the use of horses handguns incendiary weapons and siege engines and new illustrations

The British National Bibliography Arthur James Wells, 2002

Bringing History Alive through Local People and Places Lynne Dixon, Alison Hales, 2013-12-04 A much needed and delightful book It shows how history can be taught with the meaningful experiences of each child at its centre making connections between the child the locality and community the national and global past and concepts of time Throughout the authors empower teachers to adopt their philosophy by showing them how to plan select resources and strategies and reflect on ideas and case studies Hilary Cooper Emeritus professor of history and pedagogy The University of Cumbria UK Bringing History Alive through Local People and Places puts the local environment and community at the heart of history showing how it can be used as the context for successful history teaching across the primary age range It considers how to develop children's concepts and skills through local history how to link local national and global aspects of history and helps you develop your own historical knowledge understanding and confidence in teaching the subject Practical topics explored include Investigating children's cultural and geographical roots through fieldwork Finding and visiting local museums archives and heritage sights Choosing and using resources Using significant people events and buildings to link with national history Environmental education and sustainable development through local history Understanding the links between history and everyday life Planning and assessing history Based on the latest research and practice in the field Bringing History Alive through Local People and Places offers an exciting template of creative ideas and activities to show teachers how they can make history relevant to all children
