The Tower Of London Official Illustrated History:

The Tower of London Edward Impey, Geoffrey Parnell, Historic Royal Palaces, 2000 Explores the Tower's grand history with beautiful illustrations *A Hidden History of the Tower of London* John Paul Davis, 2020-03-30 With these incredible and often heartbreaking stories John Paul Davis clearly demonstrates how the fortress acquired its sinister reputation History the Interesting Bits Famed as the ultimate penalty for traitors heretics and royalty alike being sent to the Tower is known to have been experienced by no less than 8 000 unfortunate souls Many of those who were imprisoned in the Tower never returned to civilization and those who did often did so without their head It is hardly surprising that the Tower has earned itself a reputation among the most infamous buildings on the planet Beginning with the early tales surrounding its creation this book investigates the private life of an English icon Concentrating on the Tower's developing role throughout the centuries not in terms of its physical expansion into a site of unique architectural majesty or many purposes but through the eyes of those who experienced its darker side it pieces together the often seldom told human story and how the fates of many of those who stayed within its walls contributed to its lasting effect on England's and later the UK's destiny From ruthless traitors to unjustly killed Jesuits vanished treasures to disappeared princes and jaded wives to star-crossed lovers this book provides a raw and at times unsettling insight into its unsolved mysteries and the lot of its unfortunate victims thus explaining how this once typical castle came to be the place we will always remember as THE TOWER The building is as imposing now as it ever was and the author's complete and thorough knowledge is imparted in grand style Books Monthly

Tales from the Tower of London Daniel Diehl, 2011-10-24 The brooding grey walls of the Tower of London circumscribe one of the most recognisable buildings on the planet Over its thousand year history the Tower stood as a symbol of the English monarchy and served as both a palace and a prison It is a place where court intrigues clandestine liaisons unimaginable tortures and grisly executions took place with frightening regularity Tales from the Tower of London is the factual history of the great building itself told through the true stories of the people royal and common good and bad heroes and villains who lived and died there Including characters such as William the Conqueror the Princes in the Tower Jane Grey Guy Fawkes Colonel Blood and Rudolf Hess the broad range of stories encompassed in Tales from the Tower of London present a microcosm of all human experience from love and death to greed and betrayal all played out against romantic period settings ranging from medieval knights in shining armour to the darkest days of World War II Anyone who loves history and adventure will find Tales from the Tower of London a classic page turner [The Tower of London](#) Stephen

Porter, 2012-11-15 Fortress palace prison the 1000 year story of the Tower **The Tower of London in English Renaissance Drama** Kristen Deiter, 2011-02-23 The Tower of London in English Renaissance Drama historicizes the Tower of London's evolving meanings in English culture alongside its representations in twenty-four English history plays 1579 c 1634 by William Shakespeare Christopher Marlowe and others While Elizabeth I James I and Charles I fashioned the Tower

as a showplace of royal authority magnificence and entertainment many playwrights of the time revealed the Tower's instability as a royal symbol and represented it instead as an emblem of opposition to the crown and as a bodily and spiritual icon of non royal English identity

The Lady in the Tower Alison Weir, 2010-01-05 NATIONAL BESTSELLER A well researched and compulsively readable Booklist novel of Anne Boleyn's final days from the renowned author hailed as the finest historian of English monarchical succession writing The Boston Globe It is a testament to Weir's artfulness and elegance as a writer that The Lady in the Tower remains fresh and suspenseful even though the reader knows what's coming The Independent U K Nearly five hundred years after her violent death Anne Boleyn second wife to Henry VIII remains one of the world's most fascinating controversial and tragic heroines Anne's ascent from private gentlewoman to queen was astonishing but equally compelling was her shockingly swift downfall There remains however much mystery surrounding the queen's arrest and the events leading up to it Were charges against her fabricated because she stood in the way of Henry VIII making a third marriage and siring an heir or was she the victim of a more complex plot fueled by court politics and deadly rivalry Drawing on myriad sources from the Tudor era The Lady in the Tower explores the motives and intrigues of those who helped to seal the queen's fate unraveling the tragic tale of Anne's fall from her miscarriage of the son who would have saved her to the final dramatic scene on the scaffold What emerges is an extraordinary portrayal of a woman of great courage tested to the extreme by the terrible plight in which she found herself a powerful queen whose enemies were bent on utterly destroying her Horrifying but captivating The Lady in the Tower presents the full array of evidence of Anne Boleyn's guilt and innocence

Tower Nigel Jones, 2024-06-04 A marvelous authoritative and entertaining history of the storied castle in central London and the people who populated it Publishers Weekly A riveting pacy and vivid chronicle of the Tower's turbulent past Alison Weir New York Times bestselling author of The Lady Elizabeth Castle royal palace prison torture chamber execution site zoo mint home to the crown jewels armory record office observatory and the most visited tourist attraction in the UK The Tower of London has been all these things and more No building in Britain has been more intimately involved in the island's story than this mighty brooding stronghold in the very heart of the capital a place which has stood at the epicenter of dramatic bloody and frequently cruel events for almost a thousand years In a gripping account drawn from primary sources and lavishly illustrated with eight pages of stunning photographs historian Nigel Jones captures the Tower in its many changing moods and its many diverse functions Incorporating a dazzling panoply of political and social detail here for the first time is a thematic portrayal of the Tower of London not just as an ancient structure but as a living symbol of the nation of Great Britain Heads roll throughout Jones pages This is popular history well arranged and well written Booklist Historian and journalist Jones enlightens and delights in this history of the London Tower A historian's history that deserves pride of place in every library Kirkus Reviews

Carmarthen Castle Neil Ludlow, 2014-06-10 Carmarthen Castle was one of the largest castles in medieval Wales It was also one of the most important in its role as a centre of government and as a

Crown possession in a region dominated by Welsh lands and Marcher lordships Largely demolished during the seventeenth century it was subsequently redeveloped first as a prison and later as the local authority headquarters Yet the surviving remains and their situation are still impressive The situation changed with a major programme of archaeological and research work from 1993 to 2006 which is described in this book The history of the castle its impact on the region and on Wales as a whole are also examined we see the officials and other occupants of the castle their activities and how they interacted with their environment Excavations at the castle and the artefacts recovered are described along with its remaining archaeological potential This book puts Carmarthen Castle back at the heart of the history of medieval Wales and in its proper place in castle studies and architectural history the whole study combining to make a major contribution to the history of one of Wales s great towns

The Ravenmaster Christopher Skaife, 2018-10-02 Packed with insight and anecdote this memoir brings the Tower ravens to vivid life George R R Martin 1 New York Times bestselling author of A Game of Thrones The ravens at the Tower of London are of mighty importance rumor has it that if a raven from the Tower should ever leave the city will fall The title of Ravenmaster therefore is a serious title indeed and after decades of serving the Queen Yeoman Warder Christopher Skaife took on the added responsibility of caring for the infamous ravens In The Ravenmaster he lets us in on his life as he feeds his birds raw meat and biscuits soaked in blood buys their food at Smithfield Market and ensures that these unusual misunderstood and utterly brilliant corvids are healthy happy and ready to captivate the four million tourists who flock to the Tower every year An intimate and inspiring partnership has developed between the ravens and their human the Ravenmaster who shares the folklore history and superstitions surrounding the ravens and the Tower Shining a light on the behavior of the birds their pecking order and social structure Skaife shows who the Tower s true guardians really are and the result is a compelling and irreverent narrative that will surprise and enchant An unending fount of raven lore Petra Mayer NPR A beguiling fascinating and highly amusing account of the strangely magical birds Helen MacDonald The Atlantic A natural storyteller Skaife writes with affection and insight PD Smith The Guardian Skaife fills in the story with scads of local color Peter Lewis The Boston Globe Splendid Booklist starred review A rollicking tale fit for nearly any armchair adventurer Publishers Weekly

Whack Job Rachel McCarthy James, 2025-05-13 A brilliant and bloody examination of the axe s foundational role in human history from prehistoric violence to war and executions to newspaper headlines and popular culture For as long as the axe has been in our hands we have used it to kill Much like the wheel the boat and the telephone the axe is a transformative piece of technology one that has been with us since prehistory And just as early humans used the axe to chop down trees hunt for food and whittle tools they also used it to murder Over time this particular use has endured as the axe evolved over centuries to fit the needs of new agricultural architectural and social development so have our lethal uses for it Whack Job is the story of the axe first as a convenient danger and then an anachronism as told through the murders it has been employed in throughout history from the first axe murder nearly half a

million years ago to the brutal harnessing of the axe in warfare to its use in King Henry VIII's favorite method of execution to Lizzie Borden and the birth of modern pop culture *Whack Job* sheds brilliant light on this familiar implement this most human of weapons This is a critical examination of violence an exploration of how technology shapes human conflict the cruel and sacred rituals of execution and battle and the ways humanity fits even the most savage impulses into narratives of the past and present

The World's Most Haunted Places Jeff Belanger, 2011-09-15 Is the White House a haunted house Discover the paranormal legends behind historical landmarks around the world Now with new material for this updated edition *The World's Most Haunted Places* reveals that ghostly legends abound wherever history has made its mark Battlefields prisons asylums national monuments all of them have stories to tell Their ghosts still lurk demanding that we remember the past President Lincoln has been walking the halls of the White House in Washington DC for more than a century The Queen Mary may just be the most storied and haunted ship on the planet The catacombs of Paris contain the skeletal remains of six million bodies and many of their ghosts And the Tower of London is haunted by noblemen and commoners some still searching for the heads they lost more than five hundred years ago Take a world tour of history the supernatural and the macabre You will explore libraries museums restaurants inns and landmarks from North America South America Europe and Australia But be careful *The World's Most Haunted Places* may make you a believer

Corrections Mary K. Stohr, Anthony Walsh, 2017-12-29 *Corrections The Essentials* Third Edition is a comprehensive yet compact version of the typical corrections text Authors Mary K. Stohr and

Anthony Walsh address the most important topics in corrections in a briefer full color format offered at a lower cost It includes the usual topics typically found in corrections textbooks but has a unique perspective with greater coverage on three key topics the history and development of correctional institutions ethics and diversity The book also offers unique special feature boxes allowing students and instructors the opportunity to focus on key perspectives to broaden the book s coverage The book s brevity makes it an excellent core textbook that can easily be supplemented with additional reading materials

The Tower of London Moat Graham Keevill,2004 It is easy to take our most important historic monuments for granted and there is a commonly held view that we know everything about them Archaeology however has the capacity to surprise us by revealing new unexpected aspects of even the most familiar sites So it was at the Tower of London when Historic Royal Palaces established the Tower Environs Scheme in the mid 1990s to improve the area around the castle and provide it with a setting worthy of its status as a World Heritage Site The idea of reflooding the moat was one of the most exciting proposals under consideration and a major programme of archaeological and technical investigations was undertaken to assess its feasibility This led in 1995 to the very unexpected discovery of top quality stonework at the bottom of a small trench in the moat The discovery was difficult to interpret so a much larger excavation took place during 1996 7 revealing previously unknown parts of the Tower s 13th century defences This report provides a full description and analysis of the remarkable discoveries representing a major advance in our understanding of Henry III s expansion of the castle Many other interesting aspects of the moat s development and environment are also described and there are extensive entries on artefacts such as a wickerwork fish trap and the fish trapped inside it

Anglo-Norman Castles Robert Liddiard,2003 Wide ranging studies offer an in depth analysis of castle building 11th 12th centuries and place castles within their broader social and political context The castles of the eleventh and twelfth centuries remain among the most visible symbols of the Anglo Norman world This collection brings together for the first time some of the most significant articles in castle studies with contributions from experts in history archaeology and historic buildings Castles remain a controversial topic of academic debate and here equal weight is given to seminal articles that have defined the study of the subject while at the same time emphasising newer approaches to the fortresses of the Anglo Norman aristocracy The studies in this volume range from discussions of the residential and military role of the castle to architectural symbolism and royal attitudes to baronial fortification The result is a survey that offers an in depth analysis of castle building during the eleventh and twelfth centuries but which also places Anglo Norman castles within their broader social architectural and political context Contributors ANN WILLIAMS RICHARD EALES DEREK RENN LAWRENCE BUTLER ROBERT HIGHAM MARJORIE CHIBNALL R ALLEN BROWN CHARLES COULSON SIDNEY PAINTER FREDERICK C SUPPE GRANT G SIMPSON BRUCE WEBSTER J R KENYON THOMAS McNEILL T A HESLOP PHILIP DIXON PAMELA MARSHALL JOHN BLAIR CHARLES COULSON ROBERT LIDDIARD

Guide to the Medieval Castles of England Malcolm Hislop,2025-08-05 This is a well illustrated expert guide to the castles

of England providing concise accounts of what remains to be seen at each site Spread across the medieval kingdom of England in a network of often formidable strongholds castles like cathedrals are defining landmarks of their age dominating their settings in many cases even to this day By representing an essential aspect of our history and heritage the interpretation of which is constantly being revised they demonstrate the value of Malcolm Hislop s compact authoritative and well illustrated new guide to English castles The gazetteer includes an astonishing variety of types sizes and designs Individual entries bring out the salient points of interest including historical context building history and architectural character The defensive and domestic purposes of these remarkable buildings are explained as is the way in which their layout and role developed over the course of hundreds of years from the predominantly earth and timber fortresses of the Normans to the complex stone castles of the later Middle Ages many of which can be visited today Hislop s experience as an archaeologist specializing in medieval buildings castles in particular as well as his eye for structural detail ensure that his guide is a necessary handbook for readers who are keen on medieval history and warfare and for visitors who are looking for an accessible introduction to these monumental relics of England s military past

London's Strangest Tales: Historic Royal Palaces Iain Spragg, 2014-05-23 London s Royal Palaces are still some of the most visited places in England A great deal of their official histories are well known But London s Strangest Tales Historic Royal Palaces reveals the bizarre funny and surreal events and episodes that have occurred over the centuries on the grounds of these beautiful buildings It gives an alternative history from the wandering inebriated zebras at the Tower of London the cricket ball that probably killed a king and the mystery of Kew s disappearing mosque This is a wonderful collection for anyone with an interest in the history and heritage of our palaces and in London life generally

Historical Dictionary of the British Monarchy Kenneth J. Panton, 2023-10-15 The foundations of the British monarchy date from the era more than a millennium ago when Anglo Saxon Celtic and Viking peoples competed for dominance Early sovereigns exercised near absolute power but over time that authority dwindled as the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political control and territorial aggrandizement combined to promote change The strengths and weaknesses of rulers such as William the Conqueror Henry VIII Elizabeth I and Mary Queen of Scots and Queen Elizabeth also contributed to the evolution of the monarchy and are documented here Historical Dictionary of the British Monarchy Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries that cover significant events places institutions and other aspects of British culture economics politics and society This book is an excellent resource for students researchers and anyone wanting to know more about the British monarchy

Whitehall Palace Simon Thurley, 2008 The complete history of Whitehall Palace the official seat of the English monarchy for almost 160 years

The Audacious Crimes of Colonel Blood Robert Hutchinson, 2016-06-14 One morning in May 1671 a man disguised as a parson daringly attempted to seize the Crown Jewels

from the Tower of London Astonishingly he managed to escape with the regalia and crown before being apprehended And yet he was not executed for treason Instead the king granted him a generous income and he became a familiar strutting figure in the royal court s glittering state apartments This man was Colonel Thomas Blood a notorious turncoat and fugitive from justice Nicknamed the Father of all Treasons he had been involved in an attempted coup d etat in Ireland as well as countless plots to assassinate Charles II In an age when gossip and intrigue ruled the coffee houses the restored Stuart king decided Blood was more useful to him alive than dead But while serving as his personal spy Blood was conspiring with his enemies At the same time he hired himself out as a freelance agent for those seeking to further their political ambition In The Audacious Crimes of Colonel Blood bestselling historian Robert Hutchinson paints a vivid portrait of a double agent bent on ambiguous political and personal motivation and provides an extraordinary account of the perils and conspiracies that abounded in Restoration England
