Bibliographic Index ,2006 The Root of All Evil? Lori J. Underwood,2013 There is a great deal of popular belief in the connection between religious extremism and terrorism There are also numerous statistical analyses that reject that connection Upon a deeper analysis however both of these approaches are oversimplifications To adequately answer the question of whether there is a significant causal relationship between organizational religions and terrorism it is necessary to take a closer and more critical look at the ideologies and practices of both religious practitioners and terrorists It is important to focus on the causality of the relationship because if there is no

causal relationship between religion and terrorism then removing adherence to religion will do nothing to ameliorate the problem of terrorism The Root of All Evil Religious Perspectives on Terrorism conducts this kind of analysis □□□□□□
