from the Religious and Moral Perspective: George F. Johnston, 2003-03-30 For approximately three decades the abortion debate has polarized America Views range from the extreme conservative position that all abortions are morally objectionable to the extreme liberal position that abortion throughout all nine months of pregnancy is acceptable In the middle are those who advocate laws limiting the number of valid reasons for abortion This comprehensive volume includes bibliographic citations that address the moral and religious aspects of abortion It covers such topics as the various arguments both for and against abortion the status of the fetus and overviews of several religions stances on abortion Citations also include references on how Christianity has influenced abortion politics and law discussions of Operation Rescue and official statements on abortion by the Catholic Church and several Protestant denominations Researchers as well as anyone interested in the moral and religious elements of abortion will find this resource invaluable It covers the literature on abortion and religion found in books essays journal articles academic dissertations and Web sites And unlike many of the available bibliographies this one focuses only on the religious and moral issues therefore providing greater depth on those two issues within one work *Philosophia Christi* ,2005 **Mind Your Faith** David A. Horner, 2011-09-12 For young Christians about to embark on the collegiate experience David Horner provides a guide to thinking as a Christian Carefully exploring how ideas work he gives students essential tools for thinking critically contextually and coherently unpacking worldviews and discerning truth Socrates Luis E. Navia, Ellen L. Katz, 1988 **The Two Jerusalems** Matthew Wiseman, 2024-09-16 The moving story of a young man s amazing journey to discover the roots of the Christian faith in the Ancient Near East which led him from Protestantism through the Messianic movement and into the Catholic Church This journey took him to the rainforest of Papua New Guinea the No yk Synagogue in Warsaw and the Judean Desert and into the heart of ancient and medieval Jewish tradition the Hebrew Bible Along the way he met a cast of odd and wonderful characters false prophets and saintly Catholics who taught him about God Scripture and prayer His steps were dogged throughout by God s strange providential provisions despite his human blindness At the heart of the ancient faith much to his surprise he discovered what a billion people across the world already know and live the Catholic faith Through it all Matthew Wiseman s relentless desire for truth and consistency kept him searching until he discovered the beauty ever ancient ever new His powerful story is like a course in fundamental theology in compelling narrative form Defending Life Francis J. Beckwith, 2007-08-13 Defending Life is arguably the most comprehensive defense of the pro life position on abortion morally legally and politically that has ever been published in an academic monograph It offers a detailed and critical analysis of Roe v Wade and Planned Parenthood v Casey as well as arguments by those who defend a Rawlsian case for abortion choice such as J J Thomson The author defends the substance view of persons as the view with the most explanatory power The substance view entails that the unborn is a subject of moral rights from conception While defending this view the author responds to the arguments of thinkers such as Boonin Dworkin Stretton Ford and Brody He also critiques Thomson s famous violinist

argument and its revisions by Boonin and McDonagh *Defending Life* includes chapters critiquing arguments found in popular politics and the controversy over cloning and stem cell research *The Message Behind the Movie* Douglas M.

Beaumont,2009-05-01 Some Christians denounce nearly every move that Hollywood produces others celebrate even the most morally and artistically questionable While most Christians can agree on the cultural importance of films very few are able to interpret movies with insight and understanding Apologetics professor and film lover Doug Beaumont wants moviegoers to become more informed viewers by better grasping the cinematic techniques and genre considerations that filmmakers use to communicate their central themes He also wades into hot button issues of nudity violence and language in movies helping Christians to more carefully evaluate celluloid depictions of sin Packed with quote and excerpts from many of Hollywood s most successful films and from some of the indie favorites that have gained cult followings *The Message Behind the Movie* is a fun and enlightening look at the art from that defines our age **Cambridge Compendium of International Commercial and Investment Arbitration** Stefan Kröll,Andrea K. Bjorklund,Franco Ferrari,2023-03-02

The Compendium like an encyclopedia contains entries for most of the foundational principles and concepts underlying arbitration Each entry takes a holistic view of international arbitration as they tackle core concepts from both a commercial and an investment arbitration perspective focusing on the fundamental issues underlying the various topics rather than on the solutions adopted in any particular jurisdiction thus making the Compendium a truly cross border transnational resource This innovative approach will allow readers to identify the commonalities as well as the differences between commercial and investment arbitration whether and where cross fertilization has taken place and what consequences it can have This approach allows the Compendium to be a tool in promoting the creation of a culture of international arbitration that considers commercial arbitration and investment arbitration as part of a whole but with certain distinct features particular to each **One**

Catholic to Another Peter Kreeft,1985-06-20 Peter Kreeft offers the lively dialog of two Catholics who explore the basics of the Christian faith including repentance baptism salvation good works the Bible and the church
