The Threshing Floor Understanding The End Of The Age:

The Threshing Floor Eddy Lewis, Paul W. Conant, 2014-02-03 The Threshing Floor takes a look at current events through the lens of Bible prophecy. The Bible instructs us many times to watch and be ready for the Lord's return. In this book I attempt to identify the signs that we are to watch for as well as the ways we are to prepare ourselves for the Lord's return. In addition, I look at how we are to act and react towards a government system that is stripping Christian believers of their freedoms to worship and obey God in sharing the gospel of Christ. I interpret prophecy primarily through three methods. First, I look at past precedents for how ancient prophecies have been fulfilled. The literal fulfillment of prophecies pointing to Christ's first coming indicate there will be a literal fulfillment of end-time prophecies. In this book, I link Old Testament prophecies with New Testament prophecies in a logical way so that they are relevant and understandable today. Secondly, I interpret prophecy by looking at the big picture of history from God's viewpoint. The Bible reveals the witnesses of God from the beginning of time to the establishment of His eternal kingdom. I identify the different groups through history and the process which God uses in choosing His servants. God follows a three-step process where He identifies His servants, prepares them to serve, and finally commissions His servant to go out into the world. Through this process, God always gives His servants promises with conditions attached. In this book, I identify the promises and the conditions of God along with when they will be fulfilled in God's time frame. The third way that I interpret prophecy is by understanding the main message behind the imagery in the writings of the prophets. Future events depicted through imagery always reveal the fulfillment of the past promises to the servants of God. When we don't understand what the imagery of a passage of scripture is revealing, we must search for the past promises in the word of God. By using this three-step process, we can understand what the message of Bible prophecy is for us today as we near the fulfillment of many of the promises of God. As God's servant witnesses, I invite you to open your Bible and your mind as we journey through the maze of Biblical prophecies and discover how they relate to us in these turbulent times.

Worship and the End of the Age Darren T. Carter, 2010-12-30 *Worship and the End of the Age* is a book to establish the believer in a foundational understanding of worship and the battle the body of Christ will face at the end of the age. We must embrace a balanced view of the priesthood of all believers. A balanced view includes both the inward power of Christ produced through worship and an outward expression of that life demonstrated through good works. Darren presents a unique way of using the book of Revelation for understanding worship. The approach helps to establish the kingdom of priests and prepare the church for the idols we must overcome in regards to the end of the age.

The End of the Age James Henry McConkey, 1918 *The Sign of the End of the Age* Paul Kalbach, 2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end-times events. It is important for us to return to a careful study of these things because the time is near. In *The Sign of the End of the Age*, What Jesus Taught about the Future in Matthew 24, author Paul Kalbach helps you discover or rediscover the Olivet

Discourse the Lords clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near Isaiah 13-39 (1974) Otto Kaiser,1974-10-01 This volume a part of the Old Testament Library explores chapters 13 39 of Isaiah The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing **The Purpose of the Ages, Or The Final Salvation of All** David Wardlaw Scott,1885
