The Tractor In The Pasture:

The Tractor in the Pasture Lee Klancher, 2003 **Tractor in the Pasture** Lee Klancher, 2003 To the tractor lover there is something magical about the tractor in the pasture It represents wisdom strength and former glory as the plow of soil tender of crops and the backbone of the nation Much like the aging racehorse or the prize bull after its working days are done old tractors find resting spots on the edges of fields alongside barns or in the hedgerows Today these rusting piles of iron not only represent the memories of nostalgic farmers past or present they represent possibilities of restoration rejuvenation and new life as sparkling representations of an age gone by This book captures scenes of old retired tractors and couples them with the very sentiments that makes restoration an increasingly popular at tractor hobby Editor Author Photographer Lee Klancher coordinates farmers tractor collectors and restorers to compile 20 essays and colorful anecdotes ranging from tractor rescues to their feelings on what their tractors mean to them A group of artistically photographed depictions of old resigned or isolated battered iron each waiting its turn to be restored to a new life add to the extraordinary quality of this book *The pasture book* Wilfred Roland Thompson, 1957 West Virginia Pastures Alonzo Beecher Brooks, Andrew Jackson Dadisman, Ernest Lee Anthony, H.
