The Essence of the Christian Worldview Matt DeLockery, 2021-04-28 Every group within Christianity has its own opinions on what Christianity really is But who's right if anyone With the letter to the Colossians we have an opportunity to find an answer Paul compares Christianity to another worldview and argues that Christianity is better This book uses that comparison in order to understand Paul's Christian worldview In this book you will also find answers to some very difficult questions 1 What is God's ultimate purpose for humanity 2 Do we just do things because God told us to 3 Why does Paul tell wives to obey their husbands 4 Why does Paul tell slaves to obey their masters 5 Why does God care what we do at all 6 Why does God command these particular actions 7 Why would we want to follow God's commands anyway 8 How does following God's commands actually make us better people Christianity is the point at which God acted through Christ to fix what was wrong with creation and bring the whole story to a different conclusion In this book you will see the big picture of Christianity and how all the dots connect from start to finish

What Did the Cross Accomplish? Simon Gathercole, Robert B. Stewart, N.T. Wright, 2021-02-23 In this book readers will enjoy a fascinating and cordial discussion between N T Wright and Simon

Gathercole on the meaning and nature of the doctrine of atonement These two highly respected scholars discuss in clear and understandable language the meanings of the crucifixion of Jesus Christ Their discussion explores various theories of atonement and looks closely at the Old Testament to discover Paul's meaning of his words that Christ died for our sins in accordance with the Scriptures Wright presents his case first then Gathercole responds with a contrary point of view Their discussion confronts questions including What exactly is this scandal of the cross What role does the notion of sacrifice as understood in its ancient context play in the atonement of Christ Is the atonement a victory How so Was Christ a substitute taking humankind's place on the cross and suffering the death and judgment that sinners deserve How does the death of Christ on the cross rescue or liberate sinners from death Does the cross achieve benefits for only humans or do those benefits extend to the entirety of creation This book is a succinct conversation in which all these questions receive attention with nuanced differences between the two interlocutors This conversation along with Robert Stewart's introductory framework make this book an excellent primer to the study of the atonement and readers will come away with a deeper understanding of the meanings of the cross

Living in the Lamblight Hans Boersma, 2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack No longer can one assume even in many church circles that historic Christian beliefs about the Trinity and providence are generally accepted or understood Scientific knowledge and new technologies have also presented challenges for the church How for example should Christians understand the ecological crisis And how should the opening chapters of Genesis be understood in an age of genetic research and evolutionary science This collection of essays attempts to chart a faithful path for postmodern Christians exploring the foundational ideas and concepts of a Christian worldview and suggesting their implications for Christian living today Contributors Hans Boersma John Cooper Marva J Dawn Michael W

Sire, 2020 theism deism naturalism Marxism nihilism existentialism Eastern monism New Age philosophy postmodernism Islam *Ethics in the Gospel of John* Sookgoo Shin, 2018-10-02 In *Ethics in the Gospel of John* Sookgoo Shin seeks to challenge the dominant scholarly view of John's ethics as an ineffective and unhelpful companion for moral formation In order to demonstrate the relevance of John's ethics Shin argues that the development of discipleship in John's Gospel should be understood as moral progress which was a well known moral concept in the ancient Mediterranean world Having drawn an ethical model from the writings of Plutarch this study aims to identify the undergirding ethical dynamic that shapes John's moral structure by bringing out the implicit ethical elements that are embedded throughout John's narratives and thus suggests a way to read the whole Gospel ethically and appreciatively of its literary characteristics **The Liberating Image** J. Richard Middleton, 2005-03 Offers a deeply informed take on a key Christian doctrine and its interpretation and relevance today **The New Mormon Challenge** Zondervan, 2010-12-21 Current facts about Mormonism Over 11 million members Over 60 000 full time missionaries more than any other single missionary sending organization in the world More than 310 000 converts annually As many as eighty percent of converts come from Protestant backgrounds In Mormon circles the saying is We baptize a Baptist church every week Within fifteen years the numbers of missionaries and converts will roughly double Within eighty years with adherents exceeding 267 million Mormonism could become the first world religion to arise since Islam You may know the statistics What you probably don't know are the advances the Church of Jesus Christ of Latter day Saints LDS is making in apologetics and academic respectability With superb training Mormon scholars outclass many of their opponents Arguments against Mormon claims are increasingly refuted as outdated misinformed or poorly argued The New Mormon Challenge is a response to the burgeoning challenge of scholarly Mormon apologetics Written by a team of respected Christian scholars it is free of caricature sensationalism and diatribe The respectful tone and responsible rigorous yet readable scholarship set this book in a class of its own It offers freshly researched and well documented rebuttals of Mormon truth claims Most of the chapter topics have never been addressed and the criticisms and arguments are almost entirely new But The New Mormon Challenge does not merely challenge Mormon beliefs it offers the LDS Church and her members ways to move forward The New Mormon Challenge will help you understand the intellectual appeal of Mormonism and it will reveal many of the fundamental weaknesses of the Mormon worldview Whether you are sharing the gospel with Mormons or are investigating Mormonism for yourself this book will help you accurately understand Mormonism and see the superiority of the historic Christian faith Outstanding scholarship and sound methodology make this an ideal textbook The biblical historical scientific philosophical and theological discussions are fascinating and will appeal to Christians and Mormons alike Exemplifying Christian scholarship at its best The New Mormon Challenge pioneers a new genre of literature on Mormonism The Editors Francis J Beckwith Carl Mosser

and Paul Owen are respected authorities on the Church of Jesus Christ of Latter day Saints and the authors of various books and significant articles on Mormonism With contributors including such respected scholars as Craig L Blomberg William Lane Craig J P Moreland and others The New Mormon Challenge is as Richard Mouw states in his foreword an important event for both Protestant evangelicals and Mormons that models to the evangelical community what it is like to engage in respectful and meaningful exploration of a viewpoint with which we disagree on key points

The Great Story and the Great Commission (Acadia Studies in Bible and Theology) Christopher J. H. Wright, 2023-02-28 Christianity Today 2024 Book Award Missions Global Church Outreach 2024 Resource of the Year Mission and Cross Cultural Highly regarded biblical scholar and speaker Christopher Wright shows us that how we read the Bible has a profound impact on how we understand what mission is According to Wright People read and preach the Bible in tiny bits and pieces for its promises or rules or doctrines and fail to take it as the true story of the universe past present and future within the plan and purposes of God a story in which we are called to participate as coworkers with God Wright encourages us to explore the Bible's grand narrative and to bring the whole counsel of God in Scripture to our understanding of who we are and what we must do as God's people He helps us understand mission in its broadest sense including our creational responsibilities Wright's goal is to get us excited about the dramatic vista of the whole Bible and to help us understand the breadth and depth of missional engagement that we are called to live as actors in that drama Now in paperback

Western Culture in Gospel Context David J. Kettle, 2011-04-18 Approaching us in sovereign freedom God comes alive to us we come alive to God and all creation comes alive as a sign pointing to God In the gospel of Jesus Christ God gives and discloses himself in this immediate way as our ultimate context and host within the provisional medium of creation This life giving gospel is met by blindness however among those who live today in a collapsing Western culture This is because their imaginative world is shaped by habitual assumptions and practices that lie largely unacknowledged deep within that culture and that preclude openness to the gospel Moreover Western Christians themselves widely share these assumptions betraying the gospel into cultural captivity God calls for the conversion of Western culture to the living gospel Crucially this must include as Lesslie Newbigin recognized a repentance from modern Western assumptions about knowledge Part One explores seeking knowing and serving God as providing a true paradigm for understanding all human enquiry knowledge and action Part Two examines ten resulting hot spots where conversion from prevailing cultural assumptions is vital for authentic mission to Western culture
