Language, Land and Belonging: Poetic Inquiries Natalie Honein, Margaret McKeon, 2023-04-25 This volume takes up themes emergent from the 7th International Symposium on Poetic Inquiry ISPI which invited participants to

reflect on the United Nations Declaration of 2019 as the International Year of Indigenous Languages In this refereed collection Indigenous and non Indigenous authors use poetic inquiry to explore the importance of their ancestral languages and lands and consider the Indigenous languages and peoples of the lands where they live Situated in diverse global contexts poet researchers examine the intersectionality of their languages their lands and their sense of belonging They offer relational understandings of and articulate obligations for their environment and communities Through stories of shared generational pain and renewal each author brings the reader into their world of learning and growth They do this through discourses of belonging and relational responsibilities that tie them to a place a genealogy As a method of study that incorporates poetry into academic research poetic inquiry is concerned with particularity complexity and transformations Making research more visceral and evocative it invites researchers to examine and engage with the knowledge they seek through a continual process of questioning welcoming and awareness In this volume poetic inquiry helps to honor languages and histories taken for granted it allows looking back in order to reexamine redefine and make sense of the present and its shortcomings while reimagining a different future This work seeks to reclaim through poetic inquiry wisdom of language land and belonging

Corpus-Assisted Ecolinguistics Robert Poole, 2022-05-05 Corpus Assisted Ecolinguistics introduces and integrates key research concepts principles and techniques in ecolinguistics and corpus assisted discourse study answering foundational questions for researchers new to the discipline and asserting the urgent need to expand its scope Breaking new ground the book analyzes under explored environmental discourses that have a tangible impact on ecological wellbeing and sustainability by perpetuating harmful attitudes practices and ideologies Chapters present in depth case studies including an analysis of the evolving representations of wilderness an eco stylistic analysis of a popular novel and an investigation of the use of humor in reports on animal escapes from slaughterhouses The studies employ a range of corpus analysis techniques to show how ecological degradation and crisis have become normalized and even trivialized in popular discourse but also spaces where positive discourse practices are present By applying tools from corpus linguistics to a diverse range of environmental discourses this book makes a significant contribution to advancing the field of ecolinguistics

The Social Ecology of Resilience Michael Ungar, 2011-10-08 More than two decades after Michael Rutter 1987 published his summary of protective processes associated with resilience researchers continue to report definitional ambiguity in how to define and operationalize positive development under adversity The problem has been partially the result of a dominant view of resilience as something individuals have rather than as a process that families schools communities and governments facilitate Because resilience is related to the presence of social risk factors there is a need for an ecological interpretation of the construct that acknowledges the importance of people s interactions with their environments The Social Ecology of Resilience provides evidence for this ecological understanding of resilience in ways that help to resolve both definition and measurement problems

The Legacy of Dell Hymes Paul V. Kroskrity, Anthony K. Webster, 2015-09-25 The

accomplishments and enduring influence of renowned anthropologist Dell Hymes are showcased in these essays by leading practitioners in the field Hymes 1927 2009 is arguably best known for his pioneering work in ethnopoetics a studied approach to Native verbal art that elucidates cultural significance and aesthetic form As these essays amply demonstrate nearly six decades later ethnopoetics and Hymes s focus on narrative inequality and voice provide a still valuable critical lens for current research in anthropology and folklore Through ethnopoetics so much can be understood in diverse cultural settings and situations gleaned the voices of individual Koryak storytellers and aesthetic sensibilities from century old wax cylinder recordings understanding the similarities and differences between Apache life stories told 58 years apart how Navajo punning and an expressive device illuminate the work of a Navajo poet decolonizing Western Mono and Yokuts stories by bringing to the surface the performances behind the texts written down by scholars long ago and keenly appreciating the potency of language revitalization projects among First Nations communities in the Yukon and northwestern California Fascinating and topical these essays not only honor a legacy but also point the way forward

Schoolishness Susan D. Blum, 2024-05-15 In *Schoolishness* Susan D Blum continues her journey as an anthropologist and educator The author defines schoolishness as educational practices that emphasize packaged learning unimaginative teaching uniformity constant evaluation by others arbitrary forms predetermined time and artificial boundaries resulting in personal and educational alienation dependence and dread Drawing on critical progressive and feminist pedagogy in conversation with the anthropology of learning and building on the insights of her two previous books Blum proposes less schoolish ways of learning in ten dimensions to lessen the mismatch between learning in school and learning in the wild She asks if learning is our human superpower why is it so difficult to accomplish in school In every chapter Blum compares the fake learning of schoolishness with successful examples of authentic learning including in her own courses which she scrutinizes critically Schoolishness is not a pedagogical how to book but a theory based phenomenology of institutional education It has moral psychological and educational arguments against schoolishness that as Blum notes rhymes with foolishness

Telling Animals Jasmine Spencer, 2022-06-27 In *Telling Animals* Jasmine Spencer offers a comparative yet personal approach to Dene Athabaskan stories both Northern and Southern It examines the animating effects of animal stories the transformative power of animacies in Dene stories and the effects of narrative revitalization through animal grammar It takes as its first premise the teachings of many Elders who have shared that the stories are alive Jasmine Spencer s comparative approach combines literary linguistic anthropological and philosophical theories and methods using a deictic framework for closely reading the stories in both their Dene languages and in English translation The narrative epistemologies enacted by Dene stories counterbalance many of the ethical problems inherent within Euro Western approaches to ontology and experience These stories revive those who listen and read offering hope

Conversations with Jim Harrison, Revised and Updated Robert DeMott, 2018-12-18 *Conversations with Jim Harrison Revised and Updated* offers a judicious selection of interviews spanning the writing career of Jim Harrison 1937-2016 from its beginnings in the 1960s to the last interview he gave weeks before his death in March 2016 Harrison labeled himself and lived as a quadra schizoid writer He worked in fiction poetry nonfiction and screenwriting and he published more than forty books that attracted an international following These interviews supply a lively narrative of his progress as a major contemporary American author This collection showcases Harrison's pet peeves his candor and humility his sense of humor and his patience He does not shy from his authorial obsessions especially his efforts to hone the novella for which he is considered a contemporary master or the frequency with which he defied polite narrative conventions and created memorable resolute female characters Each conversation attests to the depth and range of Harrison's considerable intellectual and political preoccupations his fierce social and ecological conscience his aesthetic beliefs and his stylistic orientations in poetry and prose

The First Domestication Raymond John Pierotti, Brandy R. Fogg, 2017-01-01 Raymond Pierotti and Brandy Fogg change the narrative about how wolves became dogs and in turn humanity's best friend Rather than recount how people mastered and tamed an aggressive dangerous species the authors describe coevolution and mutualism Wolves particularly ones shunned by their packs most likely initiated the relationship with Paleolithic humans forming bonds built on mutually recognized skills and emotional capacity This interdisciplinary study draws on sources from evolutionary biology as well as tribal and indigenous histories to produce an intelligent insightful and often unexpected story of cooperative hunting wolves protecting camps and wolf human companionship Dust jacket flap

Born in the Blood Brian Swann, 2011-06-01 Since Europeans first encountered Native Americans problems relating to language and text translation have been an issue Translators needed to create the tools for translation such as dictionaries still a difficult undertaking today Although the fact that many Native languages do not share even the same structures or classes of words as European languages has always made translation

difficult translating cultural values and perceptions into the idiom of another culture renders the process even more difficult In *Born in the Blood* noted translator and writer Brian Swann gathers some of the foremost scholars in the field of Native American translation to address the many and varied problems and concerns surrounding the process of translating Native American languages and texts The essays in this collection address such important questions as what should be translated how should it be translated who should do translation and even should the translation of Native literature be done at all This volume also includes translations of songs and stories

Negotiating Linguistic Plurality María Constanza Guzmán, Şehnaz Tahir Gürçağlar, 2022-02-15 Cultural and linguistic diversity and plurality are seen as markers of our time linked to discourses about citizenship and cosmopolitanism in the context of economic globalization in the late twentieth century It is often monolingualism however that informs understanding and policies regulating the relationship between languages nations and communities Grounded by the idea of language as lived experience *Negotiating Linguistic Plurality* assumes linguistic plurality to be a continuing human condition and offers a novel transnational and comparative perspective on it The essays featured cover concepts and praxis in which linguistic plurality surfaces in the public sphere through institutional and individual practices The collection adopts a critical view of language policies and foregrounds distances and dissonances between policy and language practices by presenting lived experiences of multilingualism Translation seen as constitutive to the relations inherent to linguistic plurality is at the core of the volume Contributors explore a range of social and institutional aspects of the relationship between translation and linguistic plurality foregrounding less documented experiences and minoritized practices Presenting knowledge that spans regions languages and territories *Negotiating*

Linguistic Plurality is a thoughtful consideration of what constitutes language plurality what its limits are as well as its possibilities

The Body Is a Doorway: A Memoir Sophie Strand, 2025-03-04 A LIT HUB MOST ANTICIPATED BOOK OF 2025 In this lyrical radically expansive self portrait celebrated poet author and lecturer Sophie Strand explores with searing insight and honesty the intersecting spaces of her own chronic illness the complex ecology of a changing world and the very nature of the stories we tell ourselves At age sixteen Sophie Strand bright agile fearless is suddenly beset by unexplained debilitating illness while on a family trip abroad Her once vibrant life becomes a tangled miasma of medication specialists anaphylaxis and seemingly never ending attempts to explain what has gone so terribly wrong And for many years thereafter Sophie s life becomes subsumed with ideas not of health but of explanation and the narrative of how and why she became sick But slowly through both profound fatigue with the medical industrial complex and a deeply entwined relationship with the natural world she comes to another more fundamental understanding of what has happened to her body What if sickness is not a separation from the body What if health is not quite so easy to see What if physical pain leaves us no choice but to return to our bodies the pinpricks and lightning of illness stitching us back into a physical presence our society has taught us to ignore In a work both expansively tender and shockingly frank Sophie Strand offers readers a window onto her own winding journey through the maze of chronic illness a web not unlike those created by the mycorrhizal fungi whose networks she begins to see as a metaphor for the profound connections between all species and the earth Grounded deeply in the mountains of the Hudson Valley each moment of this far reaching narrative snakes its way through the multi layered ecology of the land around us from the stunningly powerful pollen of a phlox plant to the unexpected beauty and wisdom of the woodchuck The Body Is a Doorway dives into the murky waters of sickness and trauma as well as the resonant challenges and joys of friendship young adulthood first love and fertility Throughout in precise sparkling language it explores questions both personal and universal Is there healing beyond the human Beyond the hope for a cure or a happy ending Is there something wilder and more symbiotic beyond narrow ideas of well being
