The True Deceiver New York Review Books Classics:

The True Deceiver Tove Jansson, 2012-10-17 Deception the lies we tell ourselves and the lies we tell others is the subject of this Tove Jansson's most unnerving and unpredictable novel Here Jansson takes a darker look at the subjects that animate the best of her work from her sensitive tale of island life *The Summer Book* to her famous Moomin stories solitude and community art and life love and hate *Snow* has been falling on the village all winter long It covers windows and piles up in front of doors The sun rises late and sets early and even during the day there is little to do but trade tales This year everybody's talking about Katri Kling and Anna Aemelin Katri is a yellow eyed outcast who lives with her simpleminded brother and a dog she refuses to name She has no use for the white lies that smooth social intercourse and she can see straight to the core of any problem Anna an elderly children's book illustrator appears to be Katri's opposite a respected member of the village if an aloof one Anna lives in a large empty house venturing out in the spring to paint exquisitely detailed forest scenes But Anna has something Katri wants and to get it Katri will take control of Anna's life and livelihood By the time spring arrives the two women are caught in a conflict of ideals that threatens to strip them of their most cherished illusions

The Woman Who Borrowed Memories Tove Jansson, 2014-10-21 An NYRB Classics Original Tove Jansson was a master of brevity unfolding worlds at a touch Her art flourished in small settings as can be seen in her bestselling novel *The Summer Book* and in her internationally celebrated cartoon strips and books about the Moomins It is only natural then that throughout her life she turned again and again to the short story *The Woman Who Borrowed Memories* is the first extensive selection of Jansson's stories to appear in English Many of the stories collected here are pure Jansson touching on island solitude and the dangerous pull of the artistic impulse in *The Squirrel* the equanimity of the only inhabitant of a remote island is thrown by a visitor in *The Summer Child* an unlovable boy is marooned along with his lively host family in *The Cartoonist* an artist takes over a comic strip that has run for decades and in *The Doll's House* a man's hobby threatens to overwhelm his life Others explore unexpected territory *Shopping* has a post apocalyptic setting *The Locomotive* centers on a railway obsessed loner with murderous fantasies and *The Woman Who Borrowed Memories* presents a case of disturbing transference Unsentimental yet always humane Jansson's stories complement and enlarge our understanding of a singular figure in world literature

Fair Play Tove Jansson, 2012-10-17 *Fair Play* is the type of love story that is rarely told a revelatory depiction of contentment hard won and exhilarating Mari is a writer and Jonna is an artist and they live at opposite ends of a big apartment building their studios connected by a long attic passageway They have argued worked and laughed together for decades Yet they've never really stopped taking each other by surprise *Fair Play* shows us Mari and Jonna's intertwined lives as they watch Fassbinder films and Westerns critique each other's work spend time on a solitary island recognizable to readers of Jansson's *The Summer Book* travel through the American Southwest and turn life into nothing less than art

Sun City Tove Jansson, 2025-02-18 From the author of *The Summer Book* and creator of the Moomins an off beat novel about a retirement community in sunny Florida In *The Summer Book* and *The True Deceiver* as in her many short stories Tove Jansson was drawn again and again to the everyday life of the aged Not as a group apart but as full blooded people with as many jealousies urges and joys as any other group It s no wonder that in her travels through America in the 1970s she became fascinated with what was then a particularly American institution the retirement home where older people live in their particular tightly knit worlds In *Sun City* Jansson depicts these worlds in a group portrait of residents and employees at the Berkeley Arms in St Petersburg Florida As the narrative moves from character to character so the characters move through an America riven by cultural divides facing the death of its dream The Berkeley Arms s newest resident finds a place among the rocking chairs and endless chatter on the veranda while other residents long for past glories mourning their losses and killing time Meanwhile one of their attendants Bounty Joe is eagerly awaiting a letter or even just a postcard alerting him to the imminent return of Jesus Christ Nobody s normal anymore as the bartender says not the old geezers and not the newborn kids

Harper's, 2010

Skylark Dezso Kosztolanyi, 2010-03-02 It is 1900 give or take a few years The Vajkays call them Mother and Father live in S rszeg a dead end burg in the provincial heart of the Austro Hungarian Empire Father retired some years ago to devote his days to genealogical research and quaint questions of heraldry Mother keeps house Both are utterly enthralled with their daughter Skylark Unintelligent unimaginative unattractive and unmarried Skylark cooks and sews for her parents and anchors the unremitting tedium of their lives Now Skylark is going away for one week only it s true but a week that yawns endlessly for her parents What will they do Before they know it they are eating at restaurants reconnecting with old friends attending the theater And this is just a prelude to Father s night out at the Panther Club about which the less said the better Drunk in the light of dawn Father surprises himself and Mother with his true buried unspeakable feelings about Skylark Then Skylark is back Is there a world beyond the

daily grind and life's creeping disappointments Kosztolanyi's crystalline prose perfect comic timing and profound human sympathy conjure up a tantalizing beauty that lies on the far side of the irredeemably ordinary To that extent Skylark is nothing less than a magical book

The Murderess Alexandros Papadiamantis, 2010-06-15 The Murderess is a bone chilling tale of crime and punishment with the dark beauty of a backwoods ballad Set on the dirt poor Aegean island of Skiathos it is the story of Hadoula an old woman living on the margins of society and at the outer limits of respectability Hadoula knows about herbs and their hidden properties and women come to her when they need help She knows women's secrets and she knows the misery of their lives and as the book begins she is trying to stop her new born granddaughter from crying so that her daughter can at last get a little sleep She rocks the baby and rocks her and then the terrible truth hits her there's nothing worse than being born a woman and there's something that she Hadoula can do about that Peter Levi's matchless translation of Alexandros Papadiamantis's astonishing novella captures the excitement and haunting poetry of the original Greek
